Covid-19 Protocols :

Message by Jameson Whiskey and Potbelly Shack

Convid-19 IS Certainly Real and here to stay for a while. At the shack we have done our part and will continue to do what is required to keep you safe. However a whole lot depends on you. We need you to kindly comply with these measures for personal and communal safety

1. *Kindly use the wash basin and Sanitizers*
2. *Please use the gloves we supplied when viewing the menu*
3. *Although you are not required to wear a mask whiles seated at your table , we require you do so if you need to visit the washroom or if you have to crossover to another table or use common spaces.*
4. *Kindly USE MOMO or other electronic forms of payments if possible*
5. *If Possible limit your dining experience to the minimum. The shack will be around to serve you many more years. We need you to stay alive.*

JAMESON
IRISH WHISKEY

A large, dark-stained wooden barrel stands as the central focus. It is bound with several horizontal metal hoops, secured with visible rivets. The barrel is positioned on a floor of reddish-brown square tiles. The background is a rustic outdoor setting, likely a bar or restaurant patio, featuring wooden walls, a stone wall, and a wooden railing. In the distance, a building with a sign and some outdoor lighting are visible under a twilight sky.
