Program Policies & General Information

The R.A.M. Center Program is a Christian residential recovery program. The program assists individuals in permanently recovering from drug and alcohol abuse and the life-controlling problems associated with it.

R.A.M. Center does not discriminate on the basis of race, color, creed, religion, national and ethnic origin, marital status, public assistance, sexual orientation, family status, or disability in the administration of its educational, admission, or program policies procedures.

Each student will have access to our “Student Manual” which covers the policies of the program. R.A.M. Center reserves the right to make changes in policy whenever necessary. When a change in policy occurs, students and staff will be notified and the “Student Manual” will be updated to reflect the change. Below are some basic requirements/guidelines all R.A.M. Center students are expected to adhere to while in the program. This is not a complete list of rules, but will serve as a basic example of what will be expected:

Appearance & Dress Code

Personal hygiene must be maintained in a neat and clean manner. Students are not allowed to bring any hygiene items which contain any form of alcohol in the first three ingredients. **Please be sure to check ingredients before packing hygiene items.**

*Please do not bring t-shirts which include images portraying drugs, alcohol, tobacco, skulls, or secular bands.

Employment/Work Therapy

Due to the nature and schedule of our program, students may not actively be employed in the initial phases of their recovery. Each situation will be looked at individually.

- Students are required to participate in work therapy assignments. All students will be required to participate in general housekeeping and clean-up assignments.
- Students will be scheduled to participate in *up to* 30 hours of work therapy activities per week.
- Students voluntarily participating in other work therapy assignments will allow them to learn new or refine existing skills.

Mail/Visitation

- Students may receive visits from their personal physician, religious advisor, county case manager, attorney, and parole/probation officer at any reasonable hour.
- Correspondence will be limited to those who have been approved. Mail from those who have not been approved will be returned to the sender.
- Students may temporarily lose phone, mail, or visitor privileges if they are caught manipulating the system.

Possession/Use of Drugs, Alcohol, & Tobacco

Possession and/or use of drugs, alcohol, and tobacco are prohibited while enrolled in our program.

- Drug and/or alcohol tests may be administered at any time to students without prior notice. Students who test positive for drugs and/or alcohol use while in our program will face disciplinary action and possible discharge from R.A.M. Center.
- Students, their rooms, and their personal property may be searched at any time without prior notice or approval.

Program Fee Information

R.A.M. Center average monthly cost per student is approximately \$1,200. **Every student may receive financial assistance.** Students will have a suggested \$600 per month room fee with the first payment due at the time of admission.

Daily Schedule

Students are required to participate in all daily scheduled programming and activities, with the exception of optional recreational activities. A typical week day at R.A.M. Center would include devotions, chapel, classroom education, and group/individual discipleship. Sundays and Saturdays are less structured and include time in the afternoon for visits from approved family and friends as well as passes for upper-level students.

Holiday Breaks

There are two scheduled holiday breaks in the program –Thanksgiving and Christmas. All normal student activities cease during these times. R.A.M. Center is not liable for the safety of students who are away from our facility on break.

Eligibility:

Students may go home during these breaks only if all of the following conditions are met:

1. They must be in our program at least 90 consecutive days prior to the start of the break.
2. They must have the approval of the Program Director.
3. If on parole/probation, they must have permission from their probation officer.

Transportation:

R.A.M. Center does not provide transportation for students who are going away on break. This includes transportation to/from airports, train stations, bus stations, or any other location.

Students remaining at R.A.M. Center during break:

Recreation and other activities will be scheduled for students who remain in our facility during these breaks. Family and friends desiring to visit students during scheduled breaks must contact the program director to arrange dates and times of visitation.

Break Schedule:

A schedule of when students may depart and when they must return will be provided to the student by the Program Director and will also be posted on the bulletin board in the student's living facility. Students who do not return from break on time may be discharged, set back in the program, and/or lose future opportunities to go home during scheduled breaks.
