PRODUCTS OVERVIEW

FINANCIAL INVESTMENTS

START-UPS & ENTREPRENEURSHIP

Investments solely depends on key factors, by analyzing the domain, background of the founder(s), the industry which rules the company, the competitive market and what ways the company/individual tackles, the challenges faced and capacity to face them, and at stages of scrutinizing the legal documents. Most importantly the product, scalability and competitive advantage.

MANUFACTURING SECTOR

We look forward to investments where we are supporting the creation of mutually befitting linkages, by bridging the gap between more technologically advanced firms and potential suppliers. Any product that serves as an interest and benefit to the humankind, we can discuss possibilities of taking a step further together,

AGRICULTURAL & POULTRY SECTOR

There are many ground-level issues which needs resolution such as secure water access, cost efficiency of the agricultural property, production levels are not constant, the market for such commodities is highly volatile, if needs financial investments, all such key-factors should be noted and worked on through presentation.

OUR WAREHOUSE

We, at MACFIC, provide Logistics & Warehousing Solutions in Thailand. We invest in agro-business market by importing Fresh Onions, Garlic, Ginger & other products from India. Our passion and dedication for this market has led us to establishing our presence in **Chiang Mai, Chon Buri & parts of Bangkok**. Exploring the immense diversified culture of product consumption & utilization, we look forward to partner with like-minded business models to take our vision to greater heights.
