Client Rights and Responsibilities

Clients have the right:

- to receive services without discrimination against race, color, gender, ethnicity, nationality, language, religion, political affiliation, immigration status, sexual orientation, gender identification, relationship status, employment status, military status, economic status, handicap, or disability.
- to receive services in an environment that promotes dignity and self-respect.
- to privacy and confidentiality and know the limitations and restrictions regarding these.
- to end therapy at any time and/or receive a referral to another service provider.
- to inspect, copy, and amend your medical and billing records.
- to request restrictions on your records.
- to be treated under the standards of the ACA Code of Ethics.
- to file a complaint if you believe your privacy rights have been violated.

Clients have the responsibility:

- to be considerate and respectful to the people involved in your services.
- to be cooperative and actively take part in your sessions.
- to take full financial responsibility for your treatment.
- attend your appointments and provide a 24-hour notice for any appointment that can't be kept.

I understand my rights and responsibilities while receiving services from Veronica Wolf Counseling, LLC.
