simplifying the building process

### Random Construction facts and tips

- Building is easy, scheduling is hard
- Safety is a lifestyle, not a task
- Ask questions, it cost \$0
- Everything takes time, be patient
- Enjoy the process
- 1 BM = 12" wide x 12" long x 1" thick
- 1:3:3 cement, sand, stone = 3000psi
- Average flooring casting is 4" thick
- Construction is slowly becoming tech savvy
- Houses can be 3d printed
- Furniture lasts longer when its taken cared of.

CTXOG Designs stands for clarity, transparency and originality guaranteed . Our business started in 2018 when a need for contemporary furniture designs were lacking. We quickly set up shop and are currently developing our craft to match industry standards and satisfy each customer with quality, efficiency and a working system to meet all plausible demands.

Our current systems are growing and we are working on improving each experience with our valued customers and stakeholders.

### SAFETY SOLUTIONS

Safety is our priority et all our locations. Most independent contractor are not grounded in these practices as such it becomes a continuous practice to retrain these workers with safety at the base of their mind.

As such we gradually start introducing proper;

1. Proper PPE
2. Pre inspection checks
3. Best practices and training for each machine
4. Identifying potential hazards and correcting them immediately

## How to place an order

Drop us a message via email, Facebook, Instagram or what's app and wait for a response. 💬

Once your image or idea is submitted, Our team will provide suitable measurements, provided none is available and affix a price to your customized need.

Our team will proceed to send you a quote with all the necessary details. This agreement includes time, size, color, price, and payment options. The order takes seven (7) working days to complete. However, some complex pieces can take up to twenty-eight (28) working days. This information will be provided on the quote.

Any piece that requires installation will be completed by our team free of cost. 🔥 🔥 🔥

Additionally we complete estimates for furniture pieces, furniture repairs, Home Renovations and Home Construction. 🛠️ 🛠️ 🛠️

For a furniture piece, the estimate takes 1-3 days and is free of cost, while our home construction and renovations estimate take 2-3 weeks, and prices vary from fifteen thousand dollars (\$15,000

to fifty thousand dollars (\$50,000). 😲

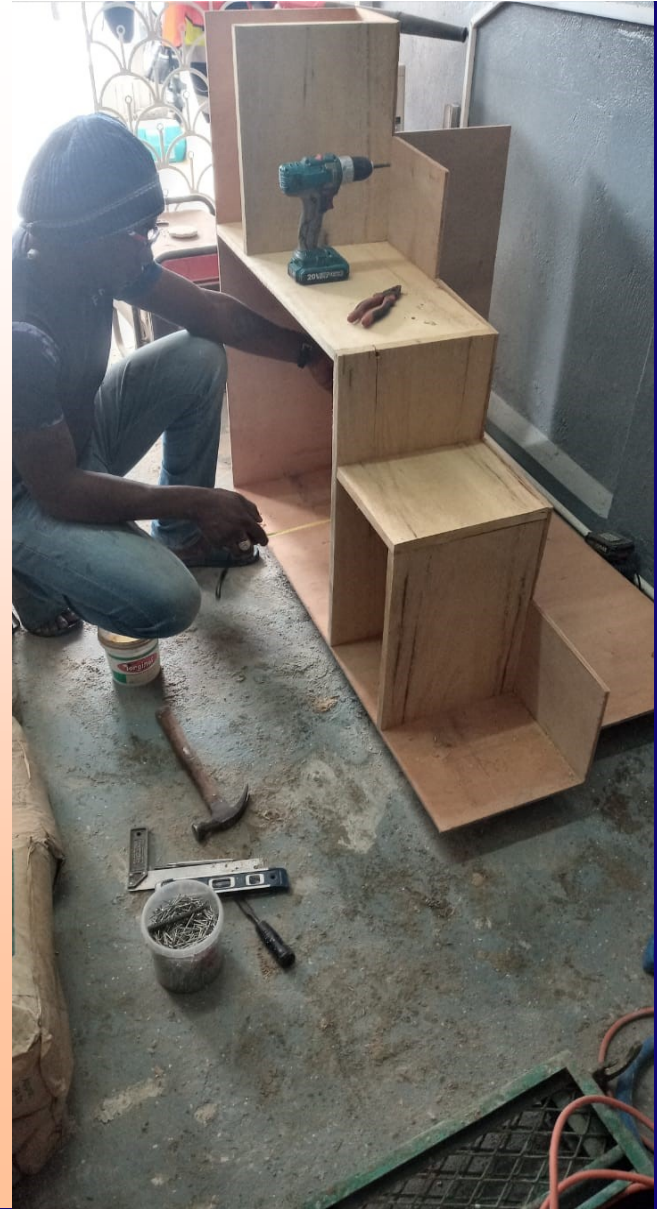

We do not assemble house plans. After you get one done, we will happily provide an estimate.

Payment options include 👁️ 👁️

1. Wire transfer
2. Check
3. Cash
4. M.M.G.
5. Bitcoin

For furniture pieces, 50% down payment is the minimum requirement before the job Commences and for construction sites, 30% down payment on labor along with all the necessary raw materials.

From the team of  
CTXOG Designs  
Thank you.
