Diplomate, American College of Veterinary Surgeons – Small Animal
dldycus@gmail.com ddycus@nexusvet.com

Work:

Nexus Veterinary Specialists
3700 O'Donnell St.
Suite 100
Baltimore, MD 21224
(o) 410-874-4718
www.nexusvet.com

Current Employment/Appointments:

AO VET NA Education Committee Wayne, PA
April 2023-present

AVORE Severn, MD
Education Program Director January 2023-present

Penn Vet Working Dog Center Practitioner Program Philadelphia, PA
Teaching Faculty September 2021-present

Nexus Veterinary Specialists Baltimore, MD
Medical Director July 2020-present

Nexus Veterinary Bone and Joint Center Baltimore, MD
Director/Chief of Orthopedic Surgery July 2020-present

Associate Editor – Orthopedics Section: Veterinary Surgery Silver Spring, MD
2019-present

ACVS Foundation Board of Trustees Silver Spring, MD
October 2018-present

AO Faculty Davos, Switzerland
February 2018-present

Ortho Vet Veterinary Consulting Severn, MD
Founder September 2017-present

Education:

Mississippi State University College of Veterinary Medicine Starkville, MS
Residency in Small Animal Surgery, Advisor Dr. Cory Fisher 2010-2013

Mississippi State University Starkville, MS
Master of Science December 2012

Auburn University College of Veterinary Medicine Auburn, AL
Internship Small Animal Medicine and Surgery, Advisor Dr. Andy Shores 2009-2010

David L. Dycus, DVM, MS, CCRP
Diplomate, American College of Veterinary Surgeons – Small Animal
dldycus@gmail.com ddycus@nexusvet.com

Mississippi State University College of Veterinary Medicine
Doctor of Veterinary Medicine
The National Scholars Honor's Society
Starkville, MS
April 2009

LaGrange College
B.A.: Biology with minor in Chemistry
Cum Laude
LaGrange, GA
May 2005

Academic Training:

Certified Canine Rehabilitation Practitioner 2015

Diplomate, American College of Veterinary Surgeons- Small Animal 2014

Licensed:

Texas #16716 2020-present
Utah #11793558-2801 2020-present
Maryland #7401 2015-present
Tennessee #5192 2009-present

Advanced Courses:

Peer to Peer Patella Luxation Symposium
Ft. Collins, CO
June 2023

AO: Advanced Principles of Small Animal Fracture Management
Severn, MD
June 2020

Limb Alignment Osteotomies to Manage Patellar Luxation
Las Vegas, NV
October 2019

AO: Canine Sports Medicine
Glendale, AZ
September 2017, 2019

CORA Based Leveling Osteotomy (CBLO)
College Station, TX
March 2017

Total Hip Replacement
Columbus, OH
November 2016

Canine Kinesiology Taping Certification
Annapolis Junction, MD
November 2016

Proximal Abducting Ulnar Osteotomy (PAUL)
Seattle, WA
October 2016

Canine Sports Medicine
San Diego, CA
October 2014

David L. Dycus, DVM, MS, CCRP
Diplomate, American College of Veterinary Surgeons – Small Animal
dldycus@gmail.com ddycus@nexusvet.com

Patellar Groove Replacement (PGR) Park City, UT
March 2013

AO: Principles of Small Animal Fracture Management Columbus, OH
April 2011

Stem Cell Therapy Certification: Vet-Stem Regenerative Veterinary Medicine Auburn, AL
February 2010

Editorial Review Board:

Veterinary Surgery and Anesthesiology	2015-present
Orthopedics and Rheumatology Open Access Journal (OROAJ)	2015-present

Clinical Experience and Consulting:

Key Opinion Leader: Zoomedica (PulseVet)	2022-present
Key Opinion Leader and Consulting: Dechra (ProVet ACP)	2022-present
Key Opinion Leader and Consulting: Zoetis	2021-present
Key Opinion Leader and Consulting: Elanco Animal Health	2020-present
Editorial Advisor Board: DVM360	2020-present
Board of Advisors: American Regent (Adequan)	2019-present
Board of Advisors: Exubriion Therapeutics (Synovetin)	2019-present
Board of Advisors: Canine Arthritis Management	2018-present
Key Opinion and Consulting: Veterinary Orthopedic Implants (VOI)	2017-present
Key Opinion Leader and Consulting: Nutramax Labs	2015-present
Key Opinion Leader: Assisi Animal Health	2017-2022
Editorial Advisory Board: American Veterinarian	2017-2018
Key Opinion Leader and Consulting: Aratana Therapeutics	2017-2020
Key Opinion Leader: Companion Regenerative Therapies	2016-2021

David L. Dycus, DVM, MS, CCRP
Diplomate, American College of Veterinary Surgeons – Small Animal
dldycus@gmail.com ddycus@nexusvet.com

Current Research Focus:

Biomechanics of double plate fixation compared to plate/rod combination
Demographic/Incidence data on medial shoulder syndrome
Relationship of cranial cruciate ligament rupture and correlation to tibial plateau slope and age of neutering
CBLO in the immature patient
In-vitro biomechanical stability of the CBLO/MPL combination
In-vitro biomechanical evaluation of various fixation techniques of the CBLO
Incidence of concurrent meniscal injury at time of CCL rupture in the geriatric patient

Grants:

Clough WT, **Dycus DL**, Barnhart MD, Hulse D. Combined CORA-Based Leveling Osteotomy and Tibial Tuberosity Transposition: An Ex Vivo Mechanical Study. Veterinary Orthopedic Implants, 2019, \$10,256.

Whitney ME, Butler RB, **Dycus DL**, Elder S, Priddy L, Hulse D. Ex Vivo Biomechanical Comparison of CBLO Fixation Methods: CBLO Plate Versus CBLO Plate with Headless Compression Screw, Versus CBLO Plate with Tension Band, Versus CBLO Plate with Headless Compression Screw and Tension Band. Veterinary Orthopedic Implants, 2019, \$10,026.

Whitney ME, Butler RB, **Dycus DL**, Elder S, Priddy L, Hulse D. Ex Vivo Biomechanical Comparison of CBLO Fixation Methods: CBLO Plate Versus CBLO Plate with Headless Compression Screw, Versus CBLO Plate with Tension Band, Versus CBLO Plate with Headless Compression Screw and Tension Band. Mississippi State University Office of Research and Graduate Studies, 2019, \$2000.

Dycus DL (PI). Efficacy of Pulsed Electromagnetic Field Therapy in Controlling Pain and Inflammation in Dogs with Elbow Osteoarthritis. Assisi Animal Health Pilot Study, AAH-004, 2016, \$21,258.

Dycus DL (PI), Wardlaw JL, Elder S. In-vitro comparison of single versus double fabellar loops using a novel self locking knot for lateral fabellotibial suture stabilization of the cranial cruciate ligament rupture. Mississippi State University Office of Research and Graduate Studies, 2010, \$2000.

Abstracts and Conference Proceedings:
