# TEXAS

# AGAIN

Our HB Community has friends and family in Texas  
and many have been calling us asking for help.  
They're stranded with little clean water!  
Food and personal items are scarce and may continue to be.

So ...

## You know what we have to do HB?

Unity Impact has spoken to Timco Logistics Systems,  
and they have graciously agreed to donate their services again.  
**They will have a truck to HB on Friday, February 26, 2021.**

We are working with a City Emergency Coordinator out of Waxahachie.  
**Water is their primary need!**

Non-perishable food, personal items, baby supplies, etc., are the next needs.

Due to COVID protocol, supplies must be brought and loaded on the truck on a  
time- specific schedule. (More details on that to come).

A few volunteers will be needed the day of the event. Please contact us if you  
are interested in assisting. We will be following COVID guidelines.

**We are accepting donations, for those who wish to give financially.**  
Donations will be used to purchase water if needed or to help supplement  
residents of Texas that may need financial assistance.

Please feel free to text or call us with any questions: **714-325-8800**
