February 20, 2021

Dear Friends,

Unity Impact, Inc. is a local, grass roots organization based in Huntington Beach. We provide compassionate care to those needing assistance, locally and beyond our borders, through a collaborative effort of individuals, organizations, businesses and resources in our surrounding area.

In the past, we have hosted a number of different projects that have helped our residents or those in neighboring cities or states. We've assisted people impacted by a hurricane, helped to bring solace to those who were victims of a shooting, as well as sent gift cards to those who lost everything in a fire. We appreciate each of you and your previous contributions to those efforts. A summary of all of our past projects can be viewed on our website at: [UnityImpact.org](http://UnityImpact.org).

Our present project, **#HBHelpsTexasAgain** launched this last week. We are collecting bottled water, personal goods, non-perishable food and other miscellaneous items to benefit those people impacted by the severe winter storms in mid-Texas.

To make this project a true triumph and bring the best experience to the residents in Ellis and Navarro communities, we want to ask for your help. Would you be willing to make a water or non-perishable food donation to our organization? Maybe you're able to donate some personal items or baby needs?

In order to fill our 18-wheeler truck next Friday, we would love any help you can give. The project "wish list" is posted on the [UnityImpact.org](http://UnityImpact.org) website. Please take a peek when you are able.

We believe that it takes a village to serve our neighbors, both local, in surrounding cities and outside of our borders. By partnering together, those giving what they can, our small community gestures, will then have a big society impact.

We thank you in advance for partnering with us to help the residents of Ellis and Navarro counties!

If you'd be willing to contribute, please feel free to contact us at 714-325-8800 or visit our website for the wish list. Financial gifts are also welcomed through a donation button on [UnityImpact.org](http://UnityImpact.org)!

Appreciatively,

Stacy Massey
