ONE FURNITURE OUTLET

NATIONWIDE SUPPLY
DELIVERY, ASSEMBLY & PLACEMENT

Furniture for social housing and supported living

Complete room and property packages for housing providers, councils and housing associations, including temporary accommodation.

Waterproof mattresses. Wipe-clean sofas. Durable beds and coordinated wardrobe sets. Fully customisable packages.

Delivered. Assembled. Ready to use.

Carried into the right rooms, including upstairs. Unpacked, assembled and positioned, with packaging removed and photographic handover.

From individual homes and replacements to multi-property furnishing programmes.

Won a housing contract? We'll furnish it.

We furnish contracts anywhere in the UK, including where you have no local team. Complete packages, supplied, delivered and installed to an agreed specification.

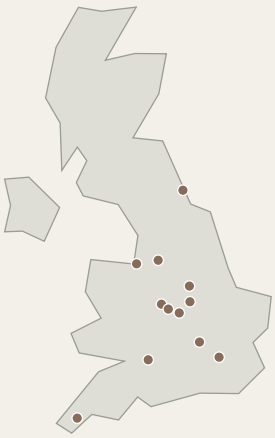

Rapid mobilisation around your timetable, with delivery dates agreed per contract. One team, per-property handover photos and invoices matched to your purchase orders.

Bidding for one?

We can provide a letter of support, a furnishing method statement and pricing held for an agreed period to support your bid. Agree a core package, then repeat the specification as homes become ready.

Just a few highlights of our wider work across new-build apartments, purpose-built social housing, care-home conversions and large HMOs.

Coordinated wardrobe sets

Choose sizes, colours and upholstery to suit your rooms. We work closely with British manufacturers to tailor beds, mattresses, sofas and wardrobe sets to your agreed specification.

Simple room packages

Combine living and dining furniture with your beds and wardrobe sets, from cost-effective core packages to tailored schemes.

Delivered, assembled and ready to use

One coordinated service, from an agreed furniture package to the final room photographs.

01 Plan delivery and access

Agree the package, addresses and dates. For suitable vacant properties, keysafe access can allow installation without you attending.

02 Carry it to the right room

Furniture brought inside and carried upstairs where needed, straight to the intended room.

03 Unpack, assemble and place

Beds, wardrobe sets, tables and chairs unpacked, assembled and positioned ready to use.

04 Clear up and hand over

Packaging removed, with handover photos and key-return confirmation.

Carried upstairs. Assembled on site.

Working in residents' homes

For relevant settings involving vulnerable residents, we enter occupied properties only with an appropriate member of the housing provider's staff present, following the provider's safeguarding requirements.

Supplier assurance

£5m public liability · £5m product liability
£10m employers' liability
DBS-checked delivery and installation team
Registered waste carrier

Compliance pack on request: product fire-safety evidence, insurance and company policies.

Supporting people and communities

Monthly support for More Than a Roof, plus £1,200 contributed towards a Wolverhampton community solar project at an organisation helping provide meals for people experiencing homelessness.

Rapid mobilisation, with dates agreed around your contract, location and access. Emergency installations and old furniture removal by arrangement.
