

There's No Place Like Home. Too often senior family members are obligated to move out of their homes because of their frailty or other medical conditions that would make it unsafe for them to live at home alone. Lucy's Home Care Express gives seniors the option to live independently in the comfort of their own home by providing them assistance with activities of daily living.

Three essential questions to ask to ensure the company you choose has a strong set of core values:

***Communication - Will I be able to easily communicate with the Personal Care Attendant and have continued access to my Care Manager?** This is the core of Lucy's Home Care Express' approach. We believe that you should never feel there is a lack of control or communication with your Personal Care Attendant. For this reason, you are assigned a Care Manager who is always available.

***Integrity - Has a sense of trust been established?** At Lucy's Home Care Express, we believe this is the key to a comfortable relationship and the well-being of the client. That's why we carefully screen all our Personal Care Attendants and provide a written contract.

***Performance - Am I confident I will get the professional care promised and that there will be accountability and follow up?** Home Care is dynamic; a family's needs can change daily. You chose home care to allow your loved one to remain independent and retain their quality of life, not to endure more paperwork and problem solving. We make a simple promise: we will be there for your family. If you're not satisfied, we will work with you until you are.
