Re: CDCR: Turn Out the Lights; Party's Over!; Letter to
Attorney General Rob Bonta.

Dear President Stailey:

Please find enclosed a copy of my letter to AG Bonta,
Attn: Anthony J. Tartaglio, Deputy AG (DAG Tartaglio) of June
19, 2021 with referenced enclosures.

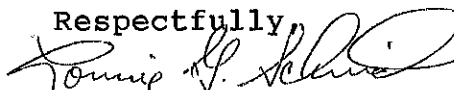

In conversation with DAG Tartaglio on June 18, 2021, I
advised him I would be contacting you. See page 2, ¶ 6
"Plaintiff also advised of intention to notify CCPOA State
President Glen Stailey of the illegal custody issue in order
he might advise his membership of the ramifications of aiding
and abetting kidnaping and false imprisonment."

Speaking the truth in love (Ephesians 4:15 NKJV) I desire
only to alert your membership to a decision they must soon make
regarding a conflict of interest brewing between CCPOA and
CDCR, i.e., whether to continue contracting with CDCR in the
provision of custody services following the recent revelation
that CDCR has No legal authority to receive and imprison any
person... and haven't had for a lot of years. CDCR has been
aware of the civil rights defect since at least September of
2020. And to my knowledge, has not openly made CCPOA nor the
public aware so corrective action could be taken.

Please review the letter to the AG... and study the
enclosures carefully, personally (before tossing it to an
attorney... and trusting your life to one who should have known
the facts long ago) you can understand it. It's your integrity,
livelihood and liberty on the line; and that of CCPOA members.

Now that CCPOA has actual notice of the fraud, a decision
must soon be made. No need to respond... I'll be watching for
Breaking News... KCRA 3 TV for starters.

Respectfully,

Lonnie G. Schmidt
Captain USAR
