Brands: Hustle Mom Vibes | Boldly Rooted Consulting

1. Purpose of Plans

All plans, programs, and services are designed to provide structure, strategy, and support for personal, business, and financial growth. These plans guide your process and do not replace personal responsibility or professional advice.

2. Nature of Services

Services may include business development strategies, digital products, journals, consulting sessions, and growth tools. All offerings are educational and self-implementation based.

3. Client Responsibility

By engaging in any plan, you agree that you are responsible for your execution and results. No outcomes are guaranteed. Active participation is required.

4. Payment & Commitment

All services must be paid in full unless otherwise stated. Payment plans must be honored. Failure to complete payments may result in revoked access.

5. No Refund Policy

All sales are final. No refunds will be issued once access to materials or services has been provided.

6. Rescheduling & Access

Appointments require at least 24-hour notice to reschedule. Missed sessions may be forfeited. Digital access is granted upon purchase.

7. Intellectual Property

All materials are owned by FeedNxtGen Holdings LLC and may not be copied, shared, or resold.

8. Alignment Clause

We operate with growth, accountability, and legacy building. Services may be discontinued if boundaries are violated or materials are misused.

9. Results Disclaimer

We do not guarantee income or success. We provide strategy, systems, and frameworks—results depend on your execution.

10. Contact Information

For questions, contact support@feednxtgen.com.

This is not just a plan — this is structure for the next version of you.
