

**River Pines RV Resort Condominium
Association Rules and Regulations – Amended/Revised Pursuant to the Opening of the 2026 Camp
Season**

1. **The breaking of any of the following rules is subject to a \$100 fine.**
2. The speed limit is 5 MPH for ALL VEHICLES on park property.
3. All street signs must be observed, and caution used at all intersections. A tow vehicle may proceed upon a one-way street, provided the RV or boat is of difficulty to park within their lot. However, the driver must use FLASHING LIGHTS & HEADLIGHTS to warn the oncoming traffic.
4. All pets must be physically or electronically leashed and always cleaned up after. Bags for dog litter are available from the container located on the boat road next to the playground and at the end of boat road.
5. Lot numbers must be posted on GOLF CARTS, CAMPERS, BOAT TRAILERS, UTILITY TRAILERS AND ELECTRICAL PEDESTALS. Numbers on electrical pedestals and campers must be able to be seen from the street for emergency vehicles to see.
6. ALL Vehicles, Campers, Boats and Trailers within River Pines MUST have CURRENT license and registration.
7. **Each lot owner is responsible for their guest. The lot owner is responsible for their renter's actions.** A rental packet must be given to the renters and a renter information form must be signed and returned to the board within 48 hours of the renter moving on to the unit. It is the lot owner's responsibility to give their renters a copy of the RULES AND REGULATIONS of the park. Park amenities are for lot occupants and their guests only. Rental properties are restricted to one (1) family per unit.
8. Lot owners that are delinquent in annual dues, fines or electric bills cannot rent their lots until they bring their lots into good standings.
9. Firewood should be neatly stacked and stored no longer than four feet wide and eight feet long and no taller than four feet high and 6 inches off the ground.
10. Only ONESELF CONTAINED CAMPER and one boat per lot. Tents and popup campers may be used on a lot with a recreational vehicle. Lot owners may only utilize this on weekends and holidays. All tents and popup campers are to be disassembled and removed from the park property by Monday or the day following the holiday.
11. TURN OFF ALL WATER going into your camper when leaving to save damage to your camper if water lines would break inside your camper. Check for water leaks in your hoses and connections regularly!
12. All recreational vehicles (RV's) brought into and parked within River Pines RV Resort shall be in a state approved roadworthy condition and always maintained as such. **Each RV shall maintain current registration and display its current license sticker.** Each RV shall not have broken windows, doors, falling down siding; all RV's must be operational, and must utilize and be maintained with recreational vehicle equipment such as air conditioners, stoves, awnings, etc. All RV's must be maintained in a clean manner with no mold or excessive dirt. If at any time a complaint is made regarding your RV, the River Pines RV Resort Board of Trustees will notify you of the complaint and will provide you with 30 days to rectify such complaint. If there has been no effort made within 30 days, the lot owner and/or renter, where applicable, of the RV will be fined until the complaint has been resolved. This rule is set forth in an effort to eliminate unsightly RV's from coming into the park and in no way, is restricting the age of an RV if it is maintained in good shape and in roadworthy condition. This rule is an expansion of what is set forth in the Declaration, Article VII, Section 7.1, Paragraph 3, June 2012 which states "Each Unit Owner shall be obligated to maintain and keep in good order and repair his own Unit."

13. All annual dues, assessments and electric bills MUST be paid in full by check, or money order. No cash will be accepted. NO EXCEPTIONS. All invoices must be paid within 30 days of date of invoice. Annual dues are due by March 1st and a \$2 per day late fee will accrue after March 1st. All fees, including Annual dues, Assessments, Electric Bills and any late fees or any other money owed to River Pines RV Resort through damages and or lot owners neglect that are past due, will result in the Electric Meter being pulled. A reconnection fee of \$100.00 will have to be paid before meter will be replaced. The electric meter will only be replaced when all money is paid in full to River Pines RV Resort. After the park has received full payment, the meter will be replaced within 72 hours if time permits. River Pines RV Resort will make every effort to accommodate in this time frame but cannot guarantee that it will happen exactly in 72 hours. Meters will NOT be replaced on Friday, Saturday, Sunday or holidays. To avoid any such inconvenience please allow two weeks for mail delivery. The Board of Directors will use the post mark from the post office to determine mailing dates. Payments can be made by check or money order for any money owed to River Pines RV Resort.
14. Silver or brown tarps may be used in the park from 4/1 thru 10/31. Exceptions: One neatly secured small tarp may be used to cover properly stacked firewood. A utility tarp may be used in emergency conditions, such as leaks, for a period of 30 days if the Board is notified. Commercially manufactured RV, Boat, Golf Cart & Motorcycle covers may be used as long as they are in good condition. During the off season, any tarp is suitable.
15. No climbing on or over common and limited common area fences.
16. No appliances outside of camper or storage sheds.
17. NO OFF-ROAD VEHICLES are permitted on the streets or within River Pines RV Resort. This includes licensed Quads, 3-wheelers, off-road vehicles, go-carts and mini-bikes.
18. No parking on other lots unless permission has been granted by the lot owner. Remember each lot is privately owned. All vehicles must be parked at least 2' off the road. Extra vehicles need to be parked in the field by the playground.
19. Bicycles must have lights and reflectors on them if used from dusk to dawn.
20. No dumping of any kind on River Pines RV Resort property.
21. Overflow parking is in the grassy area in front of the playground. There is a 24-hour limit on this parking area. This area is for cars/trucks NOT boats. There is to be no parking behind lots bordering any common area.
22. Any lot owner, who authorizes heavy equipment in the park, shall be accountable for any damages that may occur to the roadways, common areas and other owner's property.
23. No storage of vehicles on park property when the park is closed. All vehicles must have current license and registration; this includes boats and all trailers. Repairing or servicing of cars/trucks on park property is prohibited, except in case of emergency, in which case the Board must be notified beforehand.
24. The grass will be cut weekly (weather permitting) in the common areas by the board and selected volunteers. Lot owners will be responsible for cutting their own grass on their lots. If you have a medical condition or are just out of town for an extended period of time, please contact the board, and a volunteer will get it cut for you in the interim. **FAILURE TO MAINTAIN YOUR LOT IS NOT AN OPTION.** If a good faith effort is not made to keep your lot in an acceptable manner, you can be subject to a fine starting at \$100.
25. Homemade buses and campers are not permitted to be used as a camper.
26. Quiet time at River Pines RV Resort will be 12:00 (midnight) to 8:00 AM. **(Please be respectful of your neighbors)**
27. Marijuana – Smoking marijuana in common areas is strictly prohibited. That includes driving around with it on golf carts on all roads, at the pavilion, clubhouse, boat ramp and any other space deemed as common areas at River Pines. **(Please be respectful of your neighbors)**
28. Children under 16 years old must be on their lot by 11:00 PM, Sunday thru Thursday, and midnight on Friday and Saturday unless with parent, guardian or with someone 18 years old or older accompanying them.

29. Parents or guardians are responsible for their children at ALL times.

CONSTRUCTION – Must be Approved by the Board of Trustees

30. If you plan to plant trees, add a deck or storage shed on your lot. Complete the construction form and turn it into the board for approval.
31. Building of sheds, fences and decks must be completed in a timely manner. No owner may build, construct or install any item within the park property without a letter of approval from the Board of Trustees Building Committee for authorization. Any violation of this will result in immediate removal of the project item. ALL construction projects are subject to New Richmond zoning and FEMA regulations. ALL sheds, decks & fences require a permit thru New Richmond. Wiring of sheds & carports requires a permit from the Clermont County Building Department **and must be done by a certified electrician.**
32. Fences are not to be taller than 4 feet tall, if going to be placed within 5 feet of the street, the fence must be removable in case of flooding and to allow your neighbor to get their camper out.
33. Privacy fences must be no taller than 6 feet with a 12inch flow through at the bottom. Fences shall be no longer than 32 feet in length. All privacy fences or other construction MUST be approved by the Board of Trustees building committee & have NR permit BEFORE construction begins. Note: All privacy fences should be 5 feet from the street.
34. All storage sheds must be made of wood or plastic construction. Plastic sheds must be made by a commercial manufacture and cannot be of homemade construction. Plastic sheds must be vented and anchored same as woodsheds. Plastic flooring on plastic sheds will require extra anchoring to prevent floating. All sheds, wood or plastic, must not exceed 100 Square Feet total space with side walls no taller than 8 Feet high. Metal manufactured sheds are not permitted. ALL sheds must follow New Richmond zoning and FEMA regulations for anchoring and venting, with a permit from New Richmond.
- 35. Any project that requires digging, please note that any damage done to underground utilities due to your digging, will be your responsibility to repair immediately.**
36. Campers must be 15 feet apart side to side recreational vehicle to recreational vehicle per Ohio Administrative Code 3701-26-04(a)
37. Auxiliary buildings owned by someone else must be 5 feet apart from campers per Ohio Administrative Code 3701-26-04 I(9)
<https://codes.ohio.gov/ohio-administrative-code/chapter-3701-26>
38. Carports must be installed by a professional company and anchored. They must not have sides that descend from the gutter lines more than three feet and the gables can be closed in flush with the sides.
39. No permanent structures or additions are permitted to be attached to campers, decks or sheds at River Pines RV Resort.
40. All above ground utilities are the responsibility of lot the owner. This means all water lines above the shut off, original electric to the meter – if an owner chooses to have the electric pedestal moved, they take responsibility for anything from the junction from original electric on. Same with water and sewer connections, the park is responsible for the original not what is moved.
41. Lean-to type construction is not permitted. Only stand-alone type structures are permitted on decks, porches, concrete areas and patios such as metal awning/carports, or wooden structures with metal or shingle type roofs, approved by the Board of Trustees Building Committee and anchored per FEMA and New Richmond regulation.
42. Rooms attached to campers must be a manufactured type by an authorized RV Dealer.
