## **SUBSTANCE ABUSE**

Learners may not bring or use alcohol, cigarretes, and other drugs. They will not be allowed into the school grounds if they are found in their person or if they show any sign of intoxication. Drugs pose a threat to your mental, pyhsical and mental health.

## **RULES ENFORCEMENT**

- Learners who behave in an unacceptable manner, that is bullying other learners and teachers, fighting, etc, will be suspended from school for a specific period of time as a correctional and control measure.
- Extreme violence and other safety threats or cases will be forwarded to the police or other governing bodies for further investigation and correction.

- Learners who break school property take full responsibility of that mistake, which means they are to pay for what they break, with the help of their parents, without failure.

- Girls must not alter their skirts into mini skirts. Skirts should only be two (2) fingers, just above the knees.

- Only the navy blue socks with red stripes will be accepted as part of the uniform, for both girls and boys.
- Beanies or wooly hats for winter must be worn properly, covering both ears and folded just once, or worn in any other presentable manner other than shaped to one side, folded too many times to cover just the top of the head or covering one eye like a thug.

**NB:** As a proud African school, we allow children to wear their African attire of any kind, on days where casual clothing is allowed or heritage day.

## PUNCTUALITY

Learners must always try to arrive at school on time. They should learn as early as now to obey and keep time as they are being groomed for the future. The school will enforce and promote this aspect of mannerism, always.

## BULLYING

All learners have the right to a safe, fun and welcoming environment. Bullying of any sort will not be tolerated and could result in expulsion if warnings are not effective.
