

**COLLEGE CANADO-HAITIEN & FRERES DU SACRE-COEUR
ALUMNI ASSOCIATION, INC.**

10TH ANNUAL FUND-RAISING GALA

**SATURDAY MAY 24, 2014
HILTON HOTEL
MELVILLE, NY**

OUR MISSION STATEMENT

The Collège Canado-Haïtien & Frères du Sacré-Cœur Alumni Association, Inc. is a non-profit organization which strives to accomplish its mission for the benefit of the students, the teachers, the Canado-Haitian College, and the Brothers of Sacred Heart schools. To that end, it will:

- Organize the alumni for the promotion and the welfare of the schools and actively support projects towards these goals.
- Foster and deepen the bond of fellowship among the alumni, teachers, and students of the schools.
- Promote excellence in education and sponsor a wide range of activities for the academic and professional development of the students and teachers.
- Provide scholarships to students and awards to teachers at these institutions in order to stimulate intellectual development.
- Provide educational materials for the enhancement of the structure and the environment of the schools.
- Create, manage and control funds to be used for such projects connected with the schools.

NOTRE MISSION

La mission essentielle de la CCH-FSCAA est de contribuer à l'épanouissement de la société haïtienne en oeuvrant dans les domaines suivants: Education, Culture, Santé et Environnement.

La CCH-FSCAA s'engage à promouvoir l'éducation en Haïti en apportant une aide concrète au Collège Canado-Haïtien d'abord, et aux autres écoles dirigées par les Frères du Sacré-Coeur ensuite. Les autres domaines tels que la Santé, la Culture et l'Environnement seront considérés dans un temps futur.

Pour réussir dans sa mission, la CCH-FSCAA a adopté les objectifs suivants:

- Retrouver le maximum d'anciens élèves qui ont fréquenté l'un des établissements scolaires dirigés par les Frères du Sacré-Coeur; s'organiser pour la promotion et le bien-être des écoles et supporter activement les projets entrepris en ce sens.
- Encourager et raffermir les liens d'amitié entre les Frères, les professeurs, les élèves et les anciens.
- Favoriser l'excellence dans l'éducation en offrant des bourses d'études aux étudiants et des primes d'encouragement aux professeurs pour leur développement académique et professionnel.
- Inclure tous ceux qui partagent l'idée généreuse et la vision humaniste de l'association.
- Créer et administrer les fonds à utiliser pour les projets liés à ces écoles.

The president's Message

Ladies and Gentlemen,

Dear friends, Good evening!

Once more, I wish to welcome you to our spring annual gathering. You continue to respond faithfully to our Fund-raising Gala and we thank you wholeheartedly for this testimony of support to our association.

Last year, as usual, a delegation from the CCH-FSCAA, visited the Canado-Haitian Secondary School in Port-au-Prince. With pride and amazement, we admired the colossal amount of work that the leaders succeeded to accomplish including the reconstruction of the buildings destroyed by the earthquake of 2010. The CCH-FSCAA regrets for having not been able to contribute as planned. Nevertheless, the desire and the commitment remain very much alive.

One only had to observe these adolescents, just like we all were a few decades ago, animated with the same joy, the same spirit, this constant optimism that radiated on their face. In addition, the desire to learn, to surpass themselves was remarkable, and the attention afforded them by the directors was as special. All details aiming at the formation of these young ones were important and implemented in a meticulous fashion. Nothing was left to chance.

On my part, I was personally proud for the opportunity granted to me to publicly address the school in the name of the CCH-FSCAA. The students in the school yard, 1,400 strong, were aligned in the same disciplined formation that we were accustomed to. Those were minutes of dream brought to reality, moments that intensified our moral, academic and patriotic responsibilities and, last but not least, the pride we felt to belong to such a big and beautiful family. Those were moments that we wish to be part of everyone's experience at some point in his or her life. During the same time segment, we met the directors and current members of the school's parent association. We delivered a check in the amount of US \$8,500 for scholarship purpose. Moreover, we sealed our participation in the athletic project, proposed by Principal Brother William Colin, with a contribution of US \$15,656 aimed at the construction and maintenance of a brand new Basketball court. The needs are multiple, we can and must do a lot more to guarantee and to improve the education of these children. They represent the future of our country.

We will never stop inviting you to join us in the accomplishment of this project which is noble and humanistic. Your generosity is so effective. Your contribution and your support, you never negotiate. This has made possible all that we were able to realize to this day.

We congratulate you. We thank you on behalf of the beneficiaries.

Have a Lot of Fun and May God Bless You!

Hérold Duroseau, MD

President, CCH-FSCAA, New York

Le Message du président

Mesdames et Messieurs,

Chers amis, Bonsoir

Encore une fois, je vous souhaite la bienvenue à notre rendez-vous annuel du printemps. Vous continuez à répondre fidèlement à notre gala de levée de fonds, et nous vous remercions pour ce témoignage de soutien à notre association.

L'année dernière, comme à l'accoutumée, une délégation de la CCH-FSCAA, était en visite à Port-au-Prince, au Collège Canado Haïtien. Avec fierté et émerveillement, nous avons admiré le travail énorme que les dirigeants ont réussi à accomplir, la reconstruction des bâtiments détruits par le séisme de 2010. La CCH-FSCAA regrette de n'avoir pas pu y contribuer comme c'était planifié. Néanmoins, le désir et l'engagement demeurent vivants.

On n'avait qu'à revoir ces adolescents, tels que nous étions autrefois; la même joie, le même esprit, cet optimisme perpétuel rayonnaient sur leur visage. Le désir d'apprendre, de se surpasser était remarquable, et l'attention que leur prêtaient les directeurs n'était pas moindre. Tous les détails visant à la formation de ces jeunes étaient importants et minutieusement mis à exécution; rien n'était laissé au hasard.

Je me suis personnellement enorgueilli de l'opportunité qui m'a été accordée de m'adresser publiquement, au nom de la CCH-FSCAA, aux 1400 élèves alignés avec la même discipline d'antan sur la cour. Des minutes de rêve qui se réalisaient, des moments qui faisaient accroître nos responsabilités morales, académiques et patriotiques et notre fierté d'appartenir à une grande et belle famille. Des moments que nous souhaitons que chacun de vous puisse vivre un jour. Durant la même journée, nous avons rencontré les directeurs et les membres de l'association des parents; des chèques totalisant \$8,500.00 US ont été délivrés pour les bourses d'études. Nous avons également scellé notre participation au projet sportif, comme il a été suggéré par le Frère Directeur William Colin, avec une contribution de \$15,656.00 US pour la construction et l'aménagement du terrain de Basketball. Les besoins sont multiples, nous pouvons et devons faire beaucoup plus pour garantir et améliorer l'éducation de ces enfants qui représentent le futur de notre pays.

Nous ne cesserons jamais de vous inviter à nous joindre pour l'accomplissement de ce projet noble et humaniste. Votre générosité agissante, votre concours et votre support que vous ne nous avez jamais marchandés ont rendu possible tout ce que nous avons pu réaliser jusqu'à ce jour.

Nous vous en félicitons et vous remercions au nom des bénéficiaires.

Amusez-vous bien et que Dieu vous bénisse!

Hérold Duroseau, MD

Président, CCH-FSCAA, New York

SCHOLARSHIPS and ATHLETICS PROJECTS 2013-2014

By Jean-Mary Desrosiers, PhD, DCSW.

It is encouraging to note that since the reconstruction of the buildings housing the Canado-Haitian Secondary School (Academic Section) which collapsed at the time of the January 2010's earthquake, significant progress has emerged. The relationship and collaboration between the CCH-FSCAA executive committee and the leadership of the Brothers of the Sacred Heart have strengthened. The respective directors of these two organizations never relent from combining their efforts and do whatever is necessary in order to multiply instances of cooperation aimed at assessing the needs of the schools.

Always faithful, indeed, to its mission to promote Excellence within all the schools in the network of the Brothers of the Sacred Heart in Haiti, the association has, for the academic year 2013-2014, contributed the amount of US \$8.500 converted into various scholarships distributed to the academically outstanding students and/or those who are economically in need. This generosity gives, to the recipient students, access to the full or partial grants that will help pay their tuition and stimulate, at the same time, their intellectual development.

The academic year 2013-2014 saw the return of the students into the newly reconstructed academic Canado site of Turgeau. The principal of this institution, Brother William Colin, took advantage of the symbolism of the occasion in order to launch a project toward restructuring the athletic endeavor. The executive committee of the CCH-FSCAA did not waste time to adopt the project unanimously. The practice of Sports has always reinforced the formation of students allowing a significant improvement in the quality of their lives including their physical, psychological and moral health: "Mens sana in corpore sano" (A healthy spirit in a healthy body).

Gerry Jean, Brother William Colin, Herold Duroseau
Brother Colin is taking a look at the scholarship check at the 2013 General Assembly

Thus, taking one step further their understanding of the importance of Sports in students' lives, the CCH-FSCAA's President, Dr. Herold Duroseau and the Public Relations Director, Dr. Jean-Mary Desrosiers travelled to Port-au-Prince. At that juncture, they submitted a check in the amount of \$15.656 US to the principal, Brother William Colin, towards the realization of this Sports project which foresees the practice of different athletic disciplines such as Basketball, Volleyball, Table Tennis, Indoor Soccer, Handball and Karate. The labor is underway and will be completed very shortly.

All in all, we will never stop thanking you, dear members, friends and supporters. Without your generosity and financial contribution, we could never have accomplished as much. We count on your continuous support and we promise to continue the work relentlessly for the realization of other projects that help each student involved discover his/her talents, fulfill his/her

potentials and eventually become a productive member of his/her community.

"At the end of life we will not be judged by how many diplomas we have received, how much money we have made, how many great things we have done. We will be judged by 'I was hungry and you gave me to eat, I was naked and you clothed me, I was homeless and you took me in.' Hungry not only for bread — but hungry for love. Naked not only for clothing — but naked for human dignity and respect. Homeless not only for want of a room of bricks — but homeless because of rejection." ~ Mother Teresa

BOURSES D'ETUDES & PROJET SPORTIF 2013-2014

By Jean-Mary Desrosiers, PhD, DCSW.

Il est encourageant de constater que depuis la reconstruction du bâtiment du Collège Canado-Haïtien (section académique), effondré lors du séisme de Janvier 2010, les relations d'entente et de collaboration entre le comité exécutif de la CCH-FSCAA et le conseil administratif des Frères du Sacré-Coeur se sont beaucoup raffermies. Les directeurs respectifs de ces deux organisations n'ont cessé de conjuguer leurs efforts et d'accepter des sacrifices en vue de multiplier les rencontres d'évaluation des besoins des écoles.

En fait, toujours fidèle à sa mission de promouvoir l'excellence au sein de toutes les écoles des Frères du Sacré-Coeur en Haïti, l'Association a, pour l'année académique 2013-2014, contribué \$8,500.00 US comme bourses d'études qui sont distribuées aux étudiants les plus académiquement capables et économiquement nécessiteux. Cette générosité aide les élèves bénéficiaires de bourse ou de demi-bourse d'études à payer l'écolage et stimule en même temps leur développement intellectuel.

L'année académique 2013-2014 a marqué le retour des élèves du Canado académique au local de Turgeau. Le directeur de cette institution, Frère William Colin, a profité du symbolisme de cette occasion pour lancer un projet de restructuration du mouvement sportif. Projet adopté à l'unanimité par le comité exécutif de la CCH-FSCAA. La pratique du sport a toujours renforcé la formation des élèves et permis une amélioration significative de la qualité de leur vie, leur santé physique, psychologique et morale.
"Mens sana in corpore sano" (Un esprit sain dans un corps sain).

Ainsi, comprenant l'importance du sport dans la vie étudiante, le Dr. Hérold Duroseau et le Dr. Jean-Mary Desrosiers (respectivement Président et

Chargé d'Affaires) ont fait le voyage à Port-au-Prince pour remettre un chèque de \$15,656.00 US au Frère Directeur, William Colin, en vue de la réalisation de ce projet qui envisonne la pratique de différentes disciplines sportives telles que le Basketball, le Volleyball, le Tennis de table, le Footsalle, le Handball et le Karaté. Les constructions sont en cours et seront complétées sous peu.

Nous ne cesserons jamais de vous remercier, chers membres, amis et supporteurs. Sans votre générosité et contribution financière, nous n'aurions jamais pu accomplir autant. Nous comptons sur votre support continu et nous vous promettons de continuer à travailler sans relâche pour la réalisation d'autres projets devant aider chaque élève à découvrir ses talents, réaliser son potentiel et à devenir un membre productif de sa communauté.

Il y a beaucoup d'enfants qui ont besoin de notre aide en Haïti, n'hésitez pas à la leur donner.

La pratique du sport est très importante dans les écoles dirigées par les Frères du Sacré-Coeur que ce soit dans la capitale ou dans les villes de provinces.

Donne beaucoup, tu recevras bien plus.

Robert Sabatier

By Gerald Jean

WHAT WE LEARNED FROM OUR 2013 GENERAL ASSEMBLY

In 2013, the Canado-Haitian College and Brothers of Sacred Heart Alumni Association Inc. (CCH-FSCAA) celebrated its 10th anniversary serving the needs of the less fortunate children attending the Brothers of Sacred Heart Schools in Haiti. We deeply appreciate and thank you for your support. Among what seemed to be an intricate series of activities to commemorate this milestone, the General Assembly, itself, was in my opinion somewhat overshadowed.

Since its inception, the Association has made certain to present its annual report to the general public each and every year. It is essential that we act responsibly and be accountable to our donors. This is vital to the success of this honorable cause. We publish a quarterly newsletter filled with information regarding the various fund-raising activities and/or projects that we are presently working on to keep everyone informed. Also for that specific purpose, we organize a General Assembly once a year in the Fall to fulfill this commitment. Although this event is more subdued, it is very important for the following reasons:

Firstly, we almost always, have a representative from our alma mater visiting with us, as a keynote speaker. The latter brings information regarding the current status of the schools and the students themselves back home. Further, this occasion provides us the unique opportunity to stay connected with the current leadership of the college and be apprised of the latest developments occurring in the schools.

Secondly, It offers us a unique opportunity to meet face-to-face with old friends and create new ones. Last year we were able to connect with alumni who became aware of the organization, made the trip to the General Assembly and are now part of a liaison team in Haitian territory. Networking is crucial, as discoveries are endless and the “re-

Brother William Colin in his speech at the 2013 General Assembly

trouvailles” (reunions) are priceless.

Finally, It has been a successful year, and we were excited to celebrate our 10th anniversary. We want to direct special thanks to you all who have made 2013 a success. Obviously, it could not have happened without your participation. We are optimistically looking forward to the next 10 years. We will continue to reach out to you the alumni, friends and supporters of this great cause because it is imperative that we lend our helping hand to the next generation of children in Haiti.

It is with your ongoing unconditional support that we will continue to pursue together this phenomenal endeavor on behalf of the Sacred-Heart schools.

This legacy, we can all contribute to “acta non verba”.

Woody Cassy is stressing out the necessity of a good collaboration between the CCH-FSCAA and the Administration of the Brothers of Sacred Heart in Haiti

The greatest good you can do for another is not just share your riches, but reveal to them their own. ~ Disraeli

Nos honorés

Edner Bruno (Frere Alphonse)

Par Yves DEbrosse et Mario Deller

Edner Bruno alias Frere Alphonse vit actuellement au Canada

Edner Bruno, aussi connu comme Frère Alphonse, se passe de présentation pour la plupart d'entre nous. Il est un ancien religieux, comme il n'en existe presque plus, de la Congrégation des Frères du Sacré-Coeur en Haïti. Il a donné le meilleur de lui-même et servi de manière désintéressée pendant 15 ans, de 1951 à 1966. Il a été le premier Haïtien à diriger une école congréganiste en Haïti. Ce qui à l'époque n'était pas un mince exploit

Alors qu'il était au Canada en juillet 1966 pour des études spéciales, il a refusé, ayant le courage de ses convictions, de retourner en Haïti pour ne pas accepter un poste de ministre de l'Éducation nationale offert par François Duvalier. Face aux pressions de ses Supérieurs qui exigeaient son retour au pays natal, de peur d'être persécutés eux-mêmes pour son refus, il a dû demander la dispense de ses obligations religieuses au Saint-Siège.

Par la suite, il obtint un poste d'enseignant dans une école dirigée par les membres de son ancienne Congrégation. Il a donc enseigné, de 1966 à 1999, à l'École Secondaire Richard, qui deviendra plus tard la Polyva-

lente Monseigneur-Richard à Verdun. Un rapide parcours de sa carrière plaide d'éloquence:

1- Carrière haïtienne.

. 1951 (dès ses 17 ans) à 1966: enseignant religieux dans le Sud du pays (4 villes).

. 1958-59: Directeur religieux à Trou-du-Nord.

. 1959-62: Directeur à l'école primaire du Bicentenaire, Jean XXIII, (Port-au-Prince - il est alors au faite de sa gloire!).

. 1962-64: période d'études à Rome et à Ottawa.

. 1964-66: enseignant puis Directeur à Carrefour (Port-au-Prince).

2- Carrière québécoise/canadienne.

A- . 1966-99: enseignement en cours classique / Université de Montréal et à la Polyvalente Monseigneur Richard (Verdun/Montréal).

B-1980 à nos jours: engagement politique (ministère de l'Éducation / Québec, politique municipale, politique provincial, fédérale, Développement économique).

. 1967-84: études (Brevet A, licence, maîtrise et doctorat).

C-1984-92: engagement communautaire / culturel (création/émission tv, membre de la Société littéraire de Laval).

D-1978-92: Récipiendaire de nombreux prix (prof. de l'année, médaille d'or, honneur et mérite/ministère de l'Éducation).

Reste très impliqué dans le développement d'Haïti via divers projets.

Né pouvant pas rentrer en Haïti même à la mort de sa mère, il a fait venir Yolande Murad au Canada pour l'épouser. Ils ont eu de cette union trois enfants: Sandra, mannequin international, chanteuse, épouse de Didier Bourdon, grand acteur français et producteur de cinéma, Alain, acteur et entrepreneur et Jonathan, encore à l'université, étudiant le commerce.

Tout a été important dans sa carrière. Son mot d'ordre: L'enfant premier servi. Il travaille beaucoup dans le silence de la nuit. Amateur de musique, il a même dirigé un orchestre à l'école. Jamais de boisson, sinon un petit Porto. Nous l'affectionnons tout particulièrement parce qu'il a marqué la vie de la plupart d'entre nous dès notre plus tendre enfance par son engagement total au service des autres. Il y a semé les valeurs qui nous ont permis de nous réaliser complètement aujourd'hui: discipline, le souci de la réussite et la recherche de l'excellence.

Edner Bruno, merci du plus profond de notre coeur.

Frere Alphonse

Our honorees

Edner Bruno (Brother Alphonse)

By Yves Debrosse and Mario Deller - Translated by Jean-Claude Bailey

Edner Bruno is a former brother of Sacred Heart who has been teaching in several schools in Haiti.

Edner Bruno also known by the name Brother Alphonse, needs no introduction for so many of us alumni. He used to belong to the Sacred Heart religious order in Haiti. There are so few of them left today. He outdid himself and served selflessly for 15 years, from 1951 to 1966. Mr. Bruno owns the distinction of being the first Haitian native to have assumed the leadership of a congregationist school in Haiti – not a small task, in those days, by any stretch of the imagination

In July 1966, while in Canada pursuing special studies, he courageously refused to return to Haiti specifically to avoid accepting a position as Minister of Education, offered by President Francois Duvalier himself. His hierarchical superiors in Haiti, under tremendous pressure fearing potential persecution by the Duvalier government for this refusal, urged him to come back to his native country. Rather than doing so, Mr. Bruno made a special request from the Vatican to be exempt from his formal religious obligations. He was granted that privilege.

Later, he obtained a teaching position in a school directed by members of his former congregation. Therefore, from 1966 to 1999, he taught at the Richard Secondary School which later became the “Polyvalente Monseigneur-Richard” in Verdun.

A quick look at Mr. Bruno’s outstanding career inspires nothing less than admiration and pride:

HAITIAN CAREER

. From 1951 (17 year-old) to 1966: Teacher (religious) in Southern Haiti (4 cities).

From 1958 to 1959, he served as Principal (religious) in the city of Trou-du-Nord.

. From 1959 to 1962, he was elevated to the level of Principal at the Bicentenaire Primary School in Port-au-Prince. At that juncture, he was at the height of his glorious career.

. The years 1962 to 1964 saw him going through a period of studies in Rome and Ottawa.

From 1964 to 1966: Teacher and subsequently Principal at the Carrefour school (Port-au-Prince).

QUEBEC / CANADIAN CAREER

. 1966 to 1999: he taught (classical courses) at the University of Montreal and also at the Polyvalente Monseigneur-Richard in Verdun, Montreal.

. From 1980 until now: political commitment (Education Ministry / Quebec Municipal Politics, Provincial/Federal Politics, Economic Development)

. From 1967 to 1984: Studies (Brevet A, license, masters and doctorate).

. From 1984 to 1992: Community commitment / Cultural (creation / TV emission, Member of the Literary Society (Laval).

. From 1978 to 1992: Recipient of several prizes (Teacher of the Year, Gold Medal, Honor and Merit/ Min. of Education)

Mr. Bruno accomplished all he did while remaining involved in the development of Haiti via various projects.

Meanwhile, not being able to set foot in Haiti even when his mother passed away, he managed to have Yolande Murad travel toward him in Canada where they married. From this relationship, came the blessing of three children: Sandra, an international fashion model, singer and the spouse of Didier Bourdon, a leading French actor and movie producer. Mr. Bruno’s son Alain is also an actor and an entrepreneur. His third son Jonathan is still attending University with a special focus in Commerce.

All and everyone were important in Edner Bruno’s career. His motto: The child first in priority. He works fervently through the silence of the night. A Music amateur, he even once conducted an orchestra in school. He never drinks unless it is a little Porto.

At the CCH-FSCAA, we have particular respect, love and admiration for Mr. Bruno because he has marked the lives of many of us since we were little school children. He contributed significantly to instill in us those values that have allowed us, in today’s world, to reach our potentials including the Discipline mentality, the concern to achieve Success and the pursuit of Excellence.

Edner Bruno! Thank you from the bottom of our hearts.

Our honorees

Herold Duroseau M.D.

By Mario Deller - Translated by Jean-Claude Bailey

Dr. Herold Duroseau, the actual president of the CCH-FSCAA

Dr. Hérold Duroseau is the current President of the CCH-FSCAA. He is also the current Chief Pediatrician in charge of the Pediatric Hematology Service and the Sickle Cell Center of the Interfaith Medical Center. He has held the same position at the New York Methodist Hospital until 2010. In addition, he has been, for 15 years, a chief consultant at the Good Samaritan Hospital of West Islip, New York.

Dr. Duroseau was born in Port-au-Prince, Haiti where he received his quality education from the Brothers of the Sacred Heart, more precisely at the Pope John XXIII primary school located in the Bicentenary area of Port-au-Prince and subsequently at the Canado-Haitian secondary school. Following his secondary studies, he left for Spain, and, after some brilliant medical studies at the Seville Faculty of Medicine, he obtained his diploma that elevated him to the level of Doctor in Medicine. In 1983, he immigrated into the United States and completed his residency in General Pediatrics at the Interfaith Med-

ical Center, as Chief Resident.

In 1990, he began a Fellowship in Pediatrics Hematology/Oncology that he completed successfully at the Schneider Children's Hospital - Long Island Jewish. For two years, he occupied the position of Adjunct Professor in the Pediatrics Service at SUNY Stony Brook. As he continued to offer his services and his expertise as Hematologist/Oncologist to Winthrop University Hospital, he worked in his private practice in East New York, Brooklyn and did so for six years. Dr. Duroseau enjoys immensely the tasks of teaching and shaping students in the medical field. Yet, he still creates time to be involved as lecturer-motivator in several secondary schools of Brooklyn. He has also published several specialized articles reviewed by his peers, in medical magazines. Moreover, he is a researcher and continues to participate in clinical research on the Sickle Cell subject. On several occasions, especially during the summer, he has participated in a number of Health Fair, attempting to sensitize the community of Brooklyn on Sickle Cell. In addition, he got to appear twice on Television as a special guest in the Channel 7 community program "Here and Now". He did so with the purpose to inform and educate the audience on

the Sickle Cell issue.

For more than 20 years, Dr. Duroseau has been a very active member of the Association of Foreign-Based Haitian Doctors (AMHE), and he actually holds the position of Secretary for the New York chapter. On several occasions, he travels to Haiti and shares his knowledge and experience with the students in Medicine and, at the same time, he finds time to provide care to several patients, under the aegis of the AMHE.

Dr. Duroseau is also an accomplished sportsman. He once was the captain and central defender of the Canado-Haitian brilliant soccer team that reached the inter-schools championship final in three consecutive years at the Sylvio Cator Stadium.

Dr. Duroseau is married to Dr. Gardith Joseph (according to him, his more important accomplishment). She is a specialist in Adult Hematology/Oncology. They were blessed with two children, Nathalie, a future doctor herself, and Alain who has just completed mastery in Administration.

Cheers, Herold! The CCH-FSCAA counts on you to help it attain higher summits. Good work.

Dr. Herold Duroseau accompanied by his wife Dr. Gardith Joseph and their daughter Nathalie

Nos honorés

Par Mario Deller

Dr. Herold Duroseau

Dr. Herold Duroseau, l'actuel président du CCH-FSCAA

Dr. Hérold Duroseau est l'actuel Président de la CCH-FSCAA. Il est le Pédiatre en charge du service d'Hématologie Pédiatrique et du Sickle Cell Center au Centre Médical Interfaith. Il remplit la même fonction au New York Methodist Hospital jusqu'à l'année 2010 et il est également Consultant au Good Samaritan Hospital de West Islip à New York depuis 15 ans.

Dr. Duroseau est né à Port-au-Prince, Haïti, où il a reçu une éducation de qualité chez les Frères du Sacré-Coeur, précisément à l'école Jean XXIII du Bicentenaire et au Collège Canado-Haïtien. Après avoir bouclé ses études secondaires, il partit pour l'Espagne, et, après de brillantes études médicales à la Faculté de Médecine de Séville, il obtint son diplôme de Docteur en Médecine. En 1983, il immigra aux Etats-Unis et compléta sa Résidence en Pédiatrie Générale au Centre Médical Interfaith, en qualité de Résident en chef.

En 1990, il commença un Fellowship en Pédiatrie Hématologie/Oncologie qu'il compléta avec succès au

Schneider Children's Hospital - Long Island Jewish. Pendant deux ans, il occupa le poste de Professeur Adjoint au service de Pédiatrie à SUNY Stony Brook. Alors qu'il continuait à offrir ses services et son expertise comme Hématologue/Oncologue à Winthrop University Hospital, il exerça en pratique privée à East New York, Brooklyn pendant six ans. Le Dr Duroseau prend un énorme plaisir à enseigner et former des étudiants en médecine; il trouve également du temps pour participer comme conférencier motivateur dans plusieurs écoles secondaires de Brooklyn. Il a publié plusieurs articles spécialisés revus par ses pairs dans des revues médicales. Il est aussi un chercheur et continue de participer à des recherches cliniques sur le Sickle Cell. En plusieurs occasions, surtout durant l'été, il a participé à des foires de santé, cherchant à sensibiliser la communauté de Brooklyn sur le Sickle Cell. Il est apparu à la télévision en deux fois, au programme communautaire de la chaîne 7, "Here and Now", dans le but d'informer et d'éduquer l'audience sur le Sickle Cell. Il est un membre très actif de l'Association des Médecins Haïtiens à l'Etranger (AMHE) depuis plus de vingt ans, et il occupe le poste de Secrétaire pour le chapitre de New York. Il a été en Haïti en plusieurs occasions pour partager ses connaissances avec les étudiants en médecine et fournir des soins à plusieurs patients, sous l'égide de l'AMHE.

Dr. Duroseau est aussi un sportif accompli. Il était le Capitaine et le

Dr. Herold Duroseau, quelques années de cela

Défenseur Central de la brillante équipe de football du Collège Canado, laquelle a été finaliste durant trois années consécutives dans le championnat interscolaire au stade Sylvio Cator.

Il a épousé le Dr Gardith Joseph (selon lui, son plus important accomplissement), spécialiste en Hématologie/Oncologie adulte. Ils ont deux enfants, Nathalie, un futur médecin elle-même, et Alain Duroseau, qui vient de compléter une Maîtrise en Administration.

Bravo, Hérold! La CCH-FSCAA compte sur toi pour l'aider à atteindre de plus hauts sommets. Bon travail.

Dr. Herold Duroseau durant l'une de ses visites en Haïti.

THE CCH-FSCAA & THE CENTER OF TRAINING LOUIS BELLABE

The CCH-FSCAA does not assist only the students of the Brothers of Sacred Heart in Haiti but also some institutions that are connected to this network one way or another. The Center of Training Louis Bellabe (Centre de Formation Louis Bellabe) is one them. It has been founded in the town of Chantal by Mr. Marc-Eddy Bellabe, a former teacher of the Canado Secondary School.

The following pictures are signs of the tremendous job that the center has been doing in the community of Chantal. Let's help it reach its goals.

NULOOK, THE BOUNCING STARS

Like most Haitian musical groups evolving in today's market, Nu-Look is no exception when it comes to controversy and success. From the original formation of the band, these musicians from the "new generation" made an impact and swore to challenge elder bands such as: Skah-Shah, Tabou-Combo, Caribbean Sextet, Bossa- Combo, System Band, Magnum Band, etc...

By the mid 90's, groups such as Papash, Zenglen, Zin, Lakol, and Djakout started to shake the empire of the above-mentioned veteran bands. Later on down the line, they were themselves challenged by the emergence of the Zouk Phenomenon with the emergence of bands such as Kassav and others which swept the musical world with their explosive and colorful melodies by blending an array of horn section arrangements with well-balanced Kompa and African rhythms. They truly took the world by storm. Their success pushed our young musicians to go back and regroup in order to look at our music from new perspectives and with fresh ideas.

The majority of Nu-Look musicians were part of the D'Zine crew, a band that didn't waste any time to conquer the heart of "melomanes" (music lovers) in South Florida and Haiti. Those fans were hungry and thirsty for an exciting new wave of Kompa Direk. Unfortunately, when they were about to confirm their success, the scission occurred.

For more than ten years and with numerous albums published, Nu-look continues to be on top of the chart. They currently hold the trophy for Best Haitian Band. Each album carries a variety of super-hits. Credits are due to the collaboration of the band leader Arly Lariviere and other famous musicians such as: Gabriel Laporte, Charnel Julmice, Norman Johns, Jorge Dobal, current and former members who made Nu-Look what it is today.

A special salute goes to: Gasman "Couleur" Pierre, Ralph Conde, Edresse "Pipo" Tanis, Sachiel "Ti Papi" Termilus and all other musicians who contributed so well in this endeavor. Arly Lariviere is the proud son of Daniel Lariviere who, in the mid 70's, was the "Orchestre Tropicana" band leader and composer. Arly, not only walked through his father's footsteps but reached a higher level in the musical domain with Nu-Look by reaching out to the fans via superior lyrics, melodies and harmony.

Some of the songs have such great storylines in describing our daily emotional, religious, professional, financial and political lives here or abroad that you feel like you are living in the moment and that your very own story is being told. Despite criticisms and difficulties of all sort, Arly and friends always found ways to "bounce back". Each album produced proved to be better than the previous one.

With confidence, the band is committed to climb an imaginary staircase to musical heaven. The sky is the limit.

Keep soaring Nu-Look, and Long Live Kompa!

The new Nu-Look with Arly Lariviere as Band leader and Lead singer.

Ladies and Gentlemen, this is with great pleasure that the CCH-FSCAA present to you the best Haitian band for the past four consecutive years.

NU-LOOK FOREVER

Some of the actual Nu-Look crew.

Nu-Look received multiple trophies during its years of performance.

DANY LAFERRIERE, ELECTED TO THE FRENCH ACADEMY

By Orler Robert Jeanlouie

Wow! What an awesome news!

This is with an immense pride that I learned yesterday that Dany Laferrière, a fellow alumnus of Collège Canado Haïtien, a former journalist, and a penpal for the longest, was elected yesterday to l'Académie Française, which is the most prestigious intellectual body on our planet. French newspaper, Le Monde, just confirmed the news. There is no equivalent of the French Academy anywhere...

Dany, raised in Haiti, naturalized Canadian, is the first North American ever elected to the Academy. He has become one of the 40 Immortals who, elected for-life, are in charge of maintaining the integrity, the purity and the modernity of the French language. He was elected on the first tour...

Dany has been famous in the US since he published in 1987, his novel "How to Make Love to a Negro Without Getting Tired". He has since been the recipients of numerous prizes and honors, among them the prestigious Prix Médicis for his eleventh novel "Enigme du Retour" (Riddle of Return).

The prolific author will be seated and working with world celebrities, such as Valéry Giscard d'Estaing, Max Gallo, Jean-Loup Dabadie, Michel Serries, in an institution founded in 1635 by le Cardinal de Richelieu, under Louis XIII.

Dany will proudly work under the inspiration of his illustrious predecessors such as Léopold Sédar Senghor (First President of Senegal), Alexandre Dumas (Three Musketeers), Victor Hugo (Les Misérables), Voltaire (Zadig), Louis Pasteur (he invented vaccination).

In the picture below, I was with Dany when he received the Alumni Award of the College Canado Haitian, a few months ago, an award that I felt so honored to receive two years ago.

Just to accentuate the awesomeness of the situation, consider that such classic writers, such thinkers as Rousseau, Diderot, Sartre, Balzac, Descartes, Molière, Zola and Jules Verne were never elected to the Academy...

Dany, please, receive our sincere congratulations! You make all of us so proud...

UPDATE : On Friday, January 24, 2014, Haitian Cultural Exchange (HCX), in collaboration with Fondation Mémoire presented a cultural evening to honor the election of Dany at l'Académie Française. This event took place at the United Nations Headquarters in New York. The CCH-FSCAA participated with a strong contingent in this celebration, and presented a well-deserved plaque of appreciation and congratulations to Dany.

CCH-FSCAA: Other-Than-Cash Donations

Alumni and friends of CCH-FSCAA are welcome to make other-than-cash donations to the association. Furthermore, from a given source (i.e. a company or an institution), there often exists items that are in good condition but are no longer needed due to materiel upgrade purpose. Often, as well, those items could still be utilized by students in need. In the past, the CCH-FSCAA has received items such as several desktop computers, scientific calculators, microscopes and other tools aimed at enhancing students' creativity. In such instances, the CCH-FSCAA determines whether the proposed items are relevant to the students' education. Be advised that it does not matter whether or not these items are in new or used condition as long as they are functional. Thank you very much.

Special Thanks to our donors

We thank every person or organization that sent us contribution. Even if the name does not appear in the following list, we thank you. The update has been made just before the book's printing. Thank You!
