## CONSULTATION

By Phone or in Person

Since our incorporation in 2009 PSD has grown to be the premier upfitter in the Chicagoland area for first responders in Law Enforcement, Fire, EMS, Universities, and Security. We stand by our experience and reputation.

Great customer service, high quality builds and a wide range of products separate us from the competition. Our commitment to our customers comes from our own experience in the police and emergency field. When your vehicle leaves our shop it is ready to perform in critical situations without fail.

Whether you need a new fleet, small build, product repair and or upgrades to vehicles in the field, PSD has you covered.
