

Kara,

Hey So to start this off I'm so sorry for what I did, I've regretted it everyday since it happened do you think ever in life you could find it in your heart to forgive me? and to let you know I don't deserve your forgiveness, I don't blame you if you don't write me Kara I'm glad to hear your doing okay there I have thought about you alot. Hell to let you know I tried to kill myself after that happened, I ate alot of methadone alot of xanax, and 2 scripts of 30's I was on life support it was bad, real bad I wish I wouldn't have woke up, I'm a real piece of shit ya know, but all in all I'm just sorry and I know that can't undo the hurt I have caused you and your family and yes I will sign that statement for you, just so you know I will do whatever it takes to help you. Kara, write back if you want if not I understand.

Sincerely
Brandy J.
