## Certification of Non-Hazardous Inert Clean Soil

### 1) Generator/Contractor Information

Name of Generator: \_\_\_\_\_ Telephone: \_\_\_\_\_  
Company Name: \_\_\_\_\_ Fax: \_\_\_\_\_  
Address: \_\_\_\_\_  
\_\_\_\_\_

### 2) Origin Information

Address: \_\_\_\_\_  
\_\_\_\_\_  
(Location where non-  
hazardous inert clean  
soil is being  
generated from) \_\_\_\_\_  
\_\_\_\_\_

### 3) Certification

The Generator/Contractor certifies under penalty of perjury that the information above is true and accurate. The material attached to this form was determined to be Non-Hazardous Inert Clean Soil by either a certified laboratory in the State of California and/or Generator/Contractor's personal knowledge. If, at any time, the composition of the Non-Hazardous Inert Clean Soil changes, the Generator/Contractor must notify OC Exchange immediately. A revised form will have to be on file at our office prior to material being accepted. By signing below, Generator/Contractor acknowledges an authorization to sign and retains all responsibility or liability as the generator of the material. OC Exchange assumes none of the Generator/Contractor's responsibility or liability associated with signature below.
