Monthly payments of \$ _____ are payable on the _____ of each month Initial: _____

We will charge a 10% late fee for all late payment.

Kindly make your payments on time to avoid this additional fee. Initial: _____

The Defendant _____ Understands the condition(s) of his/her release requires wearing a monitoring device with the Bail Bond Agency and or Court for pre-trial or sentencing. The Defendant/Indemnitor is responsible for all fees incurred by GPS Monitoring Solutions Inc. **All fees must be paid in full within 15 days of the initial anniversary date of installation each month.** Failure of the Defendant/Indemnitor to pay the monitoring service fees in full and on the required date(s), is a breach of the terms and conditions of the bail bond release and or court order. Failure to pay the required monitoring fees can lead to your bond being revoked by the Bail Bond Agency, and the Defendant being rearrested and returned to custody. Failure to pay as noted per this agreement may also result in collections and a negative impact on your credit rating. **If payment is not received within 15 days, a grace period of 5 days will be allowed, however on day 6, your account may go to collections and have late fees added.**

Make a direct deposit at Bank of America

Provide the bank with our full business name and address in addition to the account number

Bank of America Account Number: 10437-72249

If you chose to make a direct deposit, kindly do one of the following:
Text a picture of your deposit receipt with your name written on it to 714-833-7904

Or... call 714-833-7904 to inform us of the deposit so that we can verify and properly credit your account.

Failure to inform us of a direct deposit will cause delays in crediting your account as we do not know who made the deposit.

CHARGING INSTRUCTIONS - RELIALERT

You are required to charge the battery for 3 solid hours every other day, uninterrupted, to maintain 48 hours of operation.

Do NOT charge while sleeping.

Failing to charge the device is considered a violation.

1 Connect the provided breakaway cable to the device AC adapter.	
2 Connect the free end of the breakaway cable to the power jack on the front of the device.	
3 Plug the AC adapter into the wall power outlet. DO NOT USE: and extension cord or a different charger! Using a different charger may result in burning out your charging mechanism which will cost you \$950.	Acknowledgement: Sign: _____
Device Status LED The LED on the top of the device indicates the current device status.	
Solid Green	Device is plugged in and almost fully charged (When solid green light first appears, device is only charged at 80%)
Rapid Flashing Green	Device is plugged in and charging
Periodically Flashing Green	Device is operating normally
Flashing Red	Device has low battery and needs to be charged
WATERPROOF This device is NOT waterproof. You should shower rather than bathe while wearing the ankle monitor. DO NOT swim or use hot tub. DO NOT SUBMERGE _____ Initial	

The device will vibrate when it needs to be charged. When that happens, get to your charger in less than one hour. Failure to do so will result in the monitoring center calling you on your device, followed by notifying your bail agency.

To avoid potential embarrassment in public, make sure you stay on a solid charging schedule.

Swimming other otherwise submerging your ankle monitor may result in damage which will require a replacement at your cost of \$995. _____ Initial
