DisruptHR Houston 4.0 was another success!  
The word is out, and we are getting ready for our Spring 2026 edition....  
AND YOU CAN BE A PART OF IT!

DisruptHR is global movement that is creating a space for the collective exchange of ideas designed to energize, inspire, engage, and empower with 5 minutes talks. Teach us, inspire us, enlighten us, BUT MAKE IT QUICK!

**This is your opportunity** to be a part of this exciting movement in the country's fourth-largest city. Our 5.0 theme is "Empowering Organic Intelligence and Human Leadership in the Workforce".

DisruptHR Houston sponsorship is not about a one-and-done event....  
It's about **a months-long market development and brand awareness initiative**, where your company will get multimedia brand recognition for months before and after the main event.

In the next page and you will find the value propositions for each of our sponsorship options.

We look forward to meeting and exploring how we can be a partner in your market development strategy.
