September 2024

Welcome !

Friends and Neighbors,

This year, I am serving as Co-President for the Alpine Home & School Association. I am excited to share the responsibility of leading an organization that is truly very special and vital to our community.

The AHSA is a volunteer nonprofit organization comprised of parents of students from our close-knit school. Our primary goal is to provide support to the Alpine school and to broaden the school experience beyond just the textbooks. We promote unity, school spirit and advocate communication between parents and educators.

AHSA strives in bringing our neighbors together in an effort to make the Alpine school as strong and successful as possible. We create social events and fundraise for school endeavors throughout the year and rely on your support and engagement to make our children's school year the best yet!

I encourage you to get involved and make a difference.
