54"x100' \$ 357/roll (Offer Expires March 31, 2021)

13mil Adhesive Fabric One Stop Floor Graphic

Maximize outdoor advertising and messaging space by adding graphics to carpet, concrete, asphalt and other semi-rough surfaces. Matte finish fabric with sandpaper-like grit for added anti-slip properties. Bright white coating for superior printing and crisp graphics. Tear resistant material makes it easy to remove. Paper liner for easy contour cutting, printing, and application. Customize your directional signage to stand out from others!

FEATURES & BENEFITS

13mil Coated Adhesive Fabric = Easy to Apply & Remove

Tear Resistant Fabric = More Reliable for Indoor or Outdoor Installation

ANSI Anti-Slip Certification = Worry Free

Indoor / Outdoor / Irregular Surfaces = Stock one Product For Floor Graphics

No Lamination Required = Lower Production Time, Cost or Waste
