RELIGIOUS EDUCATION GOAL

This year's Religious Education program aims not only to enrich our children's knowledge of their faith through lessons in the classrooms, but it also aims to put what they learned into practice through active participation in our parish events and liturgical celebrations.

RE Attendance Policy, Family Mass & Altar Servers

In order for us to achieve the above goal this year's policies and requirements are as follows:

RE Attendance - All students are encouraged to attend all RE classes and liturgical celebrations, i.e. Masses and Stations of the Cross and other parish activities. Students are allowed a total of 5 absences throughout the whole school year. When 5 absences have accumulated the student and parents will meet with Father Andrew and the DRE to discuss how the student will make up for the absences through makeup sessions or additional projects.

Family Mass - The CCC: 1324 teaches that the Mass or Eucharistic Celebration is "the source and summit of all Christian life." Our RE program aims to introduce and expose the children to the celebration of the Mass. RE students and parents are highly encouraged to attend Sunday Mass. Students will be required to have their Mass cards, that are provided by the parish, to be signed by the celebrating priest wherever they attend Sunday Mass. If a child does not have their Mass card binder with them, have the priest sign a paper with the date of the Mass, the parish and the priest's signature. The students' Mass card binders will be kept in the back of the church for easy accessibility after Mass.

This school year the first Sunday of the month will be Family Masses beginning September 8 (the 2nd Sunday). In the Family Masses RE students and parents will take on active roles of participation in the celebration. Parents and students will sign up or be assigned to be readers or lectors. Older students will help the ushers as greeters before Mass and distribute bulletins after Mass. For Offertory one family will be asked to bring up the Gifts. All the students and children will be asked to bring their own offering in an envelope to the altar before the Presentation of the Gifts.

Altar Serving - Part of the RE experience will be altar serving. To introduce to the students the beauty of the Mass and for them to have a meaningful celebration, all RE students will be given the opportunity to be an altar server after being given basic altar server lessons. Altar serving will be a part of the Service Project for Confirmation.

CANCELLATION OF CLASSES

Parents will be notified by phone call, text or email should cancellations occur due to weather or other unforeseen occurrences.

PICTURES AND FIELD TRIPS

The registration form includes a question for permission to use photos and/or names in the parish bulletin, posted on the parish bulletin board, The Observer - the diocesan paper, or local publications. Field trip permission forms will be sent prior to any field trips. Students may not attend field trips if a permission slip is not returned.

ILLNESS

Please do not send your child to class if they are ill. Please immediately notify the DRE if the student will not come to class. If your child becomes ill during class, you will be notified to come and pick them up.

ROLE OF PARENTS

Parents are the primary catechists in their children's lives. We encourage you to support St. Ann's/St. Joseph's RE program in the following ways:

- Attend weekly Sunday Mass with your child
- Support your child's participation in RE
- See that your child is on time for class.
- Take time after class to review lessons.
- Be active in the sacramental preparation of your child.
- Help your child learn the basic prayers of our Catholic Faith.
- Become a part of the RE catechist/teacher team. Please contact the DRE to get more information about the requirements of being an RE teacher/catechist.
- Use the sacrament of Reconciliation on a regular basis.

BEHAVIORAL EXPECTATIONS, BULLYING AND DISCIPLINE

The expectation is that every student and teacher will be respectful to each other, the materials given to support the program and building facilities. Any action, word, or behavior which harasses, intimidates, or causes physical, emotional, or psychological harm to another student or students is considered bullying and is strictly prohibited. If there is an occasion of concern in regards to behavior and discipline, the CRE will contact the parents to share this concern.

“Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically (“cyberbullying”), directed toward a student or students that has or can be reasonably predicted to have the effect of placing the student/students in reasonable fear of harm to the student’s/students’ person or property or causing a substantially detrimental effect on the student’s/students’ physical or mental health. Please see more below.

Diocesan definition:

BULLYING Any action, word or behavior which harasses, intimidates or causes physical, emotional or psychological harm to another student or students is strictly prohibited. This prohibited conduct also extends to the use of technology (“Cyber bullying”) as a tool to harass or cause harm. Bullying is prohibited during any school-sponsored education program or activity; while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities; or through the transmission of information from a computer, a computer network, or other similar electronic equipment. However, this policy is not limited to conduct that occurs on the premises of the Diocese school. “Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically (“cyber bullying”), directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following: (1) placing the student or students in reasonable fear of harm to the student's or students' person or property; (2) causing a substantially detrimental effect on the student's or students' physical or mental health; (3) substantially interfering with the student's or students' academic performance; or (4) substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school. Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. Examples of “cyber bullying” include but are not limited to the use of e-mail, web sites, text messaging, electronic photos or videos & social media (i.e. Face Book, Twitter, Instagram, My Space etc...) to harass or intimidate. These lists are meant to be illustrative and non-exhaustive. Students who violate this policy will be subject to the discipline policy of the student’s school. Procedure: This policy is to be

communicated by each Diocesan school principal to the school's students and their parent/guardian annually. Any behavior of a student which, in the School's discretion, puts that student at risk for aggressive behavior, including bullying, shall be reported by the Diocesan school principal to the parent/guardian of the student committing the behavior, and the parent/guardian may be required to investigate early intervention based upon available community-based resources.

Curriculum

The mission of the Diocese of Rockford is to infuse the teachings of Jesus as expressed in our Catholic faith and tradition. Students are encouraged to recognize and grow in their relationship with God. Our Religious Education Program offers students opportunities to encounter Jesus within the Catholic community, provide them with instruction in Catholic doctrine and challenge them to develop a Catholic lifestyle which serves God, the Church and the world around us.

The Rockford Diocese religion curriculum guide for grades 1 through 8 are grounded in the basic truths of the Catholic faith presented in the Catechism of the Catholic Church. Your child can learn much in the time spend in the catechism classes but we only have a specific timeframe, then the child should turn to their parents to guide them in their faith formation. Parents should be aware of their important role, and should try and spend time each week with their child reviewing the lessons covered in the classroom. This way they can see how their child is growing in his/her faith and sharing the journey with them.

Learning outcomes for each specific class are given to the teachers at the start of each year so that they can prepare their goals in accordance with the Diocesan guidelines.

Current workbooks for grades 1-6 will most likely be "Blessed Are We" from RCL Benzinger and grades 6-7 are "Chosen" from Ascension Press for a two-year confirmation program.
