

NGY REVIEW CALL FOR PAPERS

The NGY Review *Call for Literary Essays centered on elements of craft*

The NGY Review is a new & re-branded literary journal focusing on fiction, creative nonfiction, and literary essays that focus on writing craft. We are now accepting submissions with the theme of AI, artificiality, and anything that is not 'reality'. Note: Fiction and Creative nonfiction will not be accepted until 10/1. Literary essays may focus on ANYTHING that is craft-related, but those tied more closely to the

theme will receive higher consideration. Just a few examples related to this theme:

AI

Artificiality

ChatGPT

Non-human intelligences

Unawareness

Unconsciousness

Unintelligible languages

Unreal

Unreality
