WHAT HAPPENED TO AN ITEM IN MY CART?

Because this is a resale, there are only single quantities available of each item listed. Because of this, an item could be in multiple buyers “carts” at the same time, and the first person to check out would get the item and that item would then fall out of the other shoppers carts.

If there are items you want to ensure you do not miss, please consider checking out immediately and then continue shopping. Multiple orders will automatically be grouped for you when you pick up.
