At the bottom of your check are three numbers. Some of these numbers may be divided up by symbols. These numbers are not always in the same order.		Street:	<input type="text" value="123 Example St."/>
The Check Number: This number will be the same as the number at the top of the check.		Zip Code:	<input type="text" value="99999"/>
The Routing or Transit Number: This is a 9 digit number with a symbol on each end.		Card Verification Number:	<input type="text"/>
The Bank Account Number: Whatever is left.		Or The Card Verification Number or CVV2 number is an additional security measure provided by the credit card companies.	
			
Sign me up for automatic payment: <input type="text" value="No"/>			
Example Waste Hauling LLC offers this service where your payment can be made automatically using the above payment information. If you would like us to set this up for you then select "Yes" above.			
** Note: If you sign up for this service you are still making a payment of the amount entered above.			
You will see a listing for "TrashBilling.com" on your Bank or Credit Card Statement instead of "Example Waste Hauling LLC" because TrashBilling.com is processing their payments.			
Submit Payment			
<input type="button" value="Make Payment of Amount above"/>		<input type="button" value="Cancel"/>
