

Saint Therese Classical Academy and Learning Center Statement of Faith

Each of the undersigned individually believes the following as evidenced by the signatures on the bottom of this page:

Our Philosophy:

Saint Therese Classical Learning Center's (CLC) mission is to join forces with parents in an effort to provide students with educational enrichment, both academically and spiritually. This enrichment will enable them to reach their God given potential so that they may fulfill their vocation and become faith filled Catholic adults.

CATHOLIC FAMILY:

Saint Therese Classical Learning Center, as a Roman Catholic institution, professes to support the Magisterium of the Catholic Church and all of its teachings through lessons in Catechism, religious History and daily Mass. It should be assumed that Catholic families seeking admission support the St. Therese CLC in this profession and would only contribute to the harmonious spirit needed for their children to fully benefit from the education offered. Parents further agree that their children are not permitted to debate the validity of Catholic teachings. However, this does not prohibit honest inquiry.

FAMILIES OF OTHER FAITH:

Saint Therese CLC welcomes families of other Faiths, though it is to be understood that they support the policies contained herein. Students who will attend our daytime academic and enrichment program will be receiving religious instruction in the Catholic Faith, and they will be expected to attend Holy Mass and take part in any religious devotions or activities. Parents of children of other Faiths, as do Catholic parents, further agree that their children are not permitted to debate the validity of Catholic teachings. However, this does not prohibit honest inquiry.

Non-Denominational Position:

Although you do not need to be a member of the Catholic Faith to attend our center, these statements are based on essential Catholic beliefs that we strongly support as the primary doctrine for teaching. We desire to remain united as we are all created in His image and likeness, sharing the ultimate goal of eternal salvation and love of God.
