

Photography with Carlise Azmitia

Intro to Photography 101

Friday's 11:45-12:35 Grades 3-12 beginners

Instructor: Mrs. Carlise Azmitia

Materials Needed: Camera, Notebook, Notebook Folder

Introduction and beginning basics of camera technique, use and mechanics. Students will learn how a camera works, how to take better pictures by developing the 'seeing' eye, how to 'talk' to the camera so that photographer has full control over their images, what the different accessories used for the camera and how different effects are achieved in picture taking. (all levels welcome)

Advanced Photography 102

Friday's 12:50-1:40 Grades 5-12 intermediate

Instructor: Mrs. Carlise Azmitia

Materials Needed: Camera, Notebook, Folder and Laptop (for Photoshop)

We will continue to sharpen our photography skills and strengthen communication with our cameras. This course will be an emphasis of Photoshop and digital manipulation to further learn how to take full control over the art we capture and create. (Pre-requisite Photography 101)
