# WHO WE ARE

---

At the St. Therese Classical Academy, our education helps reveal the talents of each individual. They are given the proper tools to learn **how to think and not what to think**. We are authentically Catholic and instill a love of Christ in all we do. Our full inclusion program **touches the hearts of children from all walks of life and reminds them that they are beautifully and wonderfully made**.

Our professional instructors foster a love of learning and teach the skills that enable independence. **Our success does not remain in our classrooms**. Our graduates have **gone on to pursue vocations at colleges and universities** such as Benedictine College, Franciscan University, Full Sail University, and the University of Mary. Every graduate of STCA attending college has at least a partial scholarship. We are equally proud of our graduates who have **answered the call to join our armed forces** and protect our country's freedom.

St. Therese Classical Academy is the 1st classical academy in the Hudson Valley.

## WHY CLASSICAL EDUCATION?

---

At Saint Therese, students are offered a time tested liberal arts curriculum which consists of classes in the trivium, quadrivium, and great literature. The trivium provides the necessary foundation of studying, evaluating, and sharing knowledge. The quadrivium explores an understanding of our physical world through numbers, space, and time. We also offer enrichment classes in the fine and performing arts. These subjects are interwoven with virtue and are naturally cross curricular.

The classically educated child is a seeker of truth and beauty and able to think independently using reason. They are able to recognize and defend truth because they are properly formed and instilled with virtuous study and work habits.

Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.

*Philippians 4:8*

# WE'RE EXPANDING

The St. Therese Classical Academy has found a larger facility that will allow for greater enrollment, increase in staffing, and additional programs. The beautiful grounds offer an aesthetically pleasing place to learn. Its spaciousness makes room for activities such as sports and recreation and allows the students' creativity to roam while connecting God's Creation with learning.

STCA looks to St. Therese of Lisieux who said: "May you use those gifts that you have received, and pass on the love that has been given to you." Bearing this in mind, the academy hopes to spark a seed of faith in many more students for years to come.

## CHALLENGE

---

**Saint Therese Classical Academy is a non-profit 501c3.** For seven years, we have been operating on donations and tuition fees. In order to maintain and grow, we are in need of funds.

We are blessed by our patrons, families, and giving teachers who all believe in offering children a better future. We pray for all our donors and thank them for their support. **We hope you can join our family.**

## GOAL

---

We are in need of \$500,000 to secure the new property at 120 Milford Hill Lane, Milford, PA. Along with a beautiful location, the facility will give us a chapel, ten large classrooms, a weekend retreat house, a playground, a gym, and land for PE and after-school sports.

# THIS WILL NOT BE POSSIBLE WITHOUT YOU.

Your donation will not only give children the best education,  
you will give **our future leaders** the skills to make a difference.
