Dear Friend:

We are growing and we need your help.

Since 2013, the Saint Therese Classical Academy has nurtured students academically, spiritually, and socially. Whether they've been immersed in our liberal arts curriculum or have enjoyed our performing or fine arts classes, our students have grown in wisdom, virtue, confidence and self-worth, which is a blessing in today's world. One parent recently shared with me, "You meet our children where they're at and that's what they need."

We are very blessed, so blessed in fact that we have outgrown our facility. We have found a perfect location. The beautiful, scenic, school building at 120 Milford Hill Lane, Milford, PA will allow us to expand and offer even more programs such as: before and after care, after school tutoring, sports, adult education, summer camp, and weekend retreats. It will allow us to provide for over 200 children per school year instead of 50 which our current facility will only accommodate.

To be able to give students a nurturing, welcoming, learning environment, we need your help. We are working to complete our capital campaign goal of \$500,000.00. This gives us our start for the down payment of the facility and its renovations. Please consider being a part of this project through a tax-deductible financial contribution. You may mail the attached form or make your donation online at www.stcacademy.org.

Together, we will touch the hearts and minds of students from all walks of life. The St. Therese Classical Academy will meet the children where they are and give them the tools to go out and set the world on fire.

In Christ,

Mrs. Terri Raciti
Headmistress, St. Therese Classical Academy
