Please be at Church about 15 minutes before to hand out books and greet people. If there are any handicapped individuals in the congregation, please try to alert the choir communion minister as they come down from the balcony. Please check to see that Music Issues are put in book holders in the pews and Today's Liturgy Books are taken to the back of the church after mass. Record the mass attendance in back of church after offertory. Please check mass intentions and try to find someone from that family to take up the gifts during offertory procession. If you have conflicts with when you are scheduled please try to find your own replacement. Thank you for all your help and commitment. If you know of others who would like to join the usher group please give us a call. Thank you.
