Explore In-Person CODING CLASSES

These are all In-Person classes at theCoderSchool, Yorba Linda.

register at <https://reach4pylUSD.org/>

Intro to Python

We don't have a pet snake! We will introduce you to one of the hottest coding languages around. From automating tasks to conducting data analysis, Python is used for solving all types of problems. Intermediate coders, typing required.

[Ages 10+]

Thursdays from 5:30pm to 6:30pm

Classes start October 27th, 2022

No class meetings on Thanksgiving Week. Last session on December 8th.

Scratch - Game Development

Great for beginning and intermediate coders who are interested in trying out the Scratch program by creating fun games. Learn the basics of coding with our interactive, instructor-led projects. (Age 7+)

Wednesdays from 4:30pm to 5:30pm

Classes start October 26th, 2022

No class meetings on Thanksgiving Week. Last session on December 7th.
