**FLORAL  
TRIBUTES**

Bereavement is a sensitive time when family and friends experience a wide range of emotions. On these occasions, the beauty of flowers provides a unique opportunity to express these feelings and bring comfort to the bereaved.

From a simple, natural arrangement to a more formal floral tribute, flowers provide the perfect way to express your feelings for a loved one. A floral tribute is a very personal expression of love and respect.

We can order flowers for you from the following selection, or you may prefer the freedom to organise the flowers yourself with your local florist.
