Realities for Children
Teaching Tree is a nonprofit partner of Realities for Children. You can learn more about their services at www.realitiesforchildren.com. If you are in need of their services, please contact your center's enrollment coordinator.

Mental Health
The Willow Collective
www.willowcollectivefoco.com
The Willow Collective offers play therapy services onsite at Teaching Tree. Please see an administrator for more information.

Early Childhood Council of Larimer County
If parents have behavioral concerns with their child, Teaching Tree can connect families with our ECMHC through the ECCLC. The ECMHC will work with the adults (guardians and teachers) to help support the child, but will not work directly with the child.

Developmental Supports

Early Intervention

https://cdec.colorado.gov/early-intervention-for-infants-and-toddlers

The Early Intervention program provides developmental supports and services to families with children birth through 2 years of age who have developmental needs.

ChildFind

https://www.cde.state.co.us/cdesped/childfind

Child Find for children ages 3 through 5 years old is part of the public school system in Colorado to identify children suspected of having a delay in development as early as possible. If your child is not meeting typical developmental milestone, a referral can be made to Child Find.

KidsCare Home Health

www.kidscarehomehealth.com

KidsCare provides speech therapy, occupational therapy, and physical therapy services in-home. Services can also be provided onsite at Teaching Tree.

General Resources:

2-1-1 Colorado

www.211colorado.org

211 is a confidential and multilingual service connecting people to vital resources across the state. No matter where you live in Colorado, you can find information about resources in your local community.

Please reach out to someone at the front office if you are in need of supports that are not listed here.
