

San Clemente High School

Track & Field

Code of Conduct

The goal of the San Clemente High School Track program and its coaches is to promote responsibility, cooperation, leadership, and sportsmanship in our athletes as they train and compete in Track. The attainment of these qualities requires hard work and personal commitment on the part of the athletes in the program. In addition, coaches expect courtesy, respect, attention, and responsibility from athletes.

Our coaches provide encouragement, support and training to approximately 250 students from the beginning of Track season in January through the end of the school year in June. Spring is made more exciting by the camaraderie and experience shared by so many students on and off the track in this great sport.

This code of conduct details the rules and policies governing every team member. All members and their parents are expected to understand and adhere to these rules. Your signatures on the last page will confirm this obligation.

A program of this size demands clear organization and structure to maintain an appropriate environment for the achievement of our goals and team success.

The program will be successful if athletes have fun in a safe environment and compete and perform to the best of their abilities. Students (and parents) must communicate well with coaches regarding personal, academic, and physical problems that may prevent athletes from performing in practice and competition.

Please contact us with any questions, or comments, and we look forward to seeing you at parent night in February when we discuss our program.

We also look forward to sharing a fun and successful season.

Sincerely,

Dan Johnson,
Head Boys Track & Field Coach
San Clemente High School

Dave Proodian
Head Girls Track & Field Coach
San Clemente High School

In addition to the rules that govern all San Clemente High School students, participants in the track and field program will be governed by the following rules. As a participant of the San Clemente High School track and field team, I agree to the following code of conduct:

1. Academic Eligibility

The Capistrano Unified School District and CIF has adopted a "C" average (2.0) rule for eligibility. We require that all athletes maintain a high level of academic achievement and certainly expect that they will achieve well above the minimum "C" average required for competition in athletics. Students on academic probation will not be able to compete in school athletics should they receive less than a 2.0 for a second consecutive semester. Students who are academically ineligible will not be permitted to participate in track, as a class, or an athletic activity.

2. Citizenship

All student-athletes are expected to behave in a mature manner both on the field and in the classroom. Any athlete who receives more than one "U" in citizenship or work habits on a progress report jeopardizes their opportunity to letter and to participate in the track meets. If the athlete's behavior does not improve, the athlete will face disciplinary action and possible dismissal from the team.

3. Attendance Policy on Meet Day

San Clemente High School recognizes the importance of the educational process and the need for students to pursue education as their first priority. Regular and punctual attendance is closely correlated to higher academic achievement in school. We also recognize the value of participation in athletics. Co-Curricular activities make a positive contribution to students' lives, helping to instill important values and positive self-esteem. However, we consider these co-curricular activities to be of secondary importance to the need for a sound academic education. Therefore, we shall institute the following attendance and co-curricular participation policy;

Students must attend regular classes the day of any school related event in order to be able to participate in, or attend, any school related activity after school. If any student fails to attend at least a minimum day of class hours, he / she will not be allowed to attend any school related events that day. A minimum day is defined as at least four classes on a traditional period 1-6 day, or two block periods on a block schedule day.

Exceptions to this policy will be allowed for absences due to the conditions beyond the student's control. Legitimate, verified family emergencies, court dates, and funerals are examples. Only absences classified by the following attendance codes will be allowed as exceptions:

F- Funeral L- Court appearance, religious event O- Office visit V- School activity, such as field trip, counseling appointment, testing I- Medical/Dental appointment. This will require a note from the Doctor/Dentist/Orthodontist verifying the time and date the student was at the office. The "I" code is also used for excused illness—illness is not an acceptable reason to be excused from this policy. If a student is too ill to attend school, he/she is certainly too ill to participate in co-curricular activities.

Violation of this rule will result in the following disciplinary action:

1st Offense: The student is suspended from participating in competition for that week. Coach will counsel the student-athlete. The coach may implement other sanctions.

2nd Offense: The student is suspended from participating in competition that week. Parent is notified. A meeting with coach and/or administrator may be arranged. The coach may implement other sanctions.

3rd Offense: The student will be removed from the co-curricular activity.

4. Practice and Team Meeting Attendance

Athletes must attend mandatory workouts or meetings, and be on time. Athletes should be prepared and organize all other commitments (**This includes: work schedules; medical appointments; family vacations**) around the following schedule during the season: (The season officially starts on 2/2/15 and ends in early May for most athletes.)

Monday	Tuesday	Wednesday	Thursday	Friday
2:05 pm – 4:00 pm	2:05 pm – 4:00 pm	3:05 pm – 5:00 pm	1:15 pm – 3:15 pm (6:30 pm on meet days)	2:05 pm – 4:00 pm

*Exceptions may be made for seniors making college visits, if approved by the Coach prior to the absence.

**Note: all times are approximate and may vary at the discretion of the head coach or your event coach
A tardy athlete will be disciplined by:**

- 1st Offense: The individual will be assigned some form of “reminder” (push-ups, hills etc...).
- 2nd Offense: Possible suspension
- Repeat offenders: Dismissal from team.

Practice is very important! It is mandatory. Therefore, unless an athlete has been out ill for THE ENTIRE SCHOOL DAY they must attend practice. No exceptions.

If an athlete has missed the whole day of school, this can become an excused absence if either of the two procedures below are followed:

- The parent **e-mails by noon** and informs us that their athlete will miss practice due to an all-day illness or absence. E-mails should be directed to Coach Johnson (boys) or Coach Proodian (girls) at:
 - **Coach Johnson at drjohnson@capousd.org.**
 - **Coach Proodian at dgproodian@capousd.org**
- If e-mail is unavailable, the parent **phones and leaves a voicemail by noon.**

ALL OTHER ABSENCES ARE UNEXCUSED.

An unexcused absence will result in:

- 1st Offense: Extra workout assigned, possible suspension for one meet
- 2nd Offense: Suspension for one meet
- 3rd Offense: Dismissal from the team

THE SERVING OF DETENTION, PLACEMENT IN CSI, THURSDAY/FRIDAY SCHOOL, OFF-CAMPUS SUSPENSION, FAMILY VACATIONS ARE CONSIDERED UNEXCUSED ABSENCES.

Athletes are only allowed to miss 5 practices total for the season. These can be excused or unexcused absences or any combination thereof. Any more than 5 absences from practice will result in dismissal from the team. The only exceptions are a prolonged illness verified by a doctor, or prolonged family emergency.

5. Practice, Training, and Team Meeting Discipline.

In order to maintain an atmosphere conducive to successful training and team success, the following practice session discipline plan will be enforced. “Horseplay,” failure to follow coaching instructions, walking during warm-ups, non-stretching, or any other behavior during practice time deemed inappropriate by the coaching staff will be met with the following consequences.

During an individual practice session:

First offense: Verbal warning Second Offense: Removal to stands for remainder of practice session. Counseled by the head coach at end of practice.

During Season:

First removal to stands: Counseling by coach Second removal to stands: Counseling by coach, and phone call to parent. Third removal to stands: Dismissal from team

6. Meet Behavior

Athletes are expected to adhere to the following rules during all meets. Infractions of these rules will result in an immediate suspension or dismissal from the program.

Athletes are expected to be respectful to all school employees, officials, parents, teachers, and other athletes.

Athletes are expected to maintain composure during meets. They will not argue with or demean officials, opposing coaches or athletes. Athletes are expected not to curse or swear. Athletes are expected to refrain from horseplay or rough housing. All athletes are expected to be warming up, mentally preparing, supporting other athletes in events, or helping the coaches facilitate the track meet. Athletes are expected to not litter in the locker room or on campus. This means all athletes are responsible for cleaning up the area of the field we have occupied before leaving. Athletes are expected to be honest. Athletes who cheat, lie, or steal will be disciplined and/or dismissed. Athletes are expected to treat school and other athlete's property with respect.

7. Care and Use of Equipment and Uniforms

Athletes will dress properly for meets. No athlete will modify or alter issued equipment, or wear any equipment not issued by the school without the coach's permission.

Dress Code at Practice

- Practice clothing must be brought to school and worn for practice every day.
- A pair of running shoes must be brought to practice every day.
- Shoes must be worn at all times.

Dress Code on Meet Days at School

- Athletes should wear team apparel during the school day. Ex: T-shirt or Sweatshirt

Dress Code at Track Meets

- Athletes are expected to dress in team uniforms and warm-ups **only**. No alterations to the uniform are allowed. CIF rules allow distance runners to wear a wrist watch. All other jewelry must be removed. Students who do not dress for practice will not practice and therefore not compete that week. Improper uniforms worn at meets will result in the following:

First Offense: Verbal warning – If the athlete does not correct the uniform before a race you will be pulled from competition.
Second Offense: Athlete will be pulled from the entire meet.
Third Offense: Dismissal from team

8. Care of Track Facilities

Since we now have the good fortune to train and compete on a very expensive all-weather Track and Field facility, we know that all San Clemente athletes will share our pride in maintaining the facility. Please help us take care of the new Track. ***Nothing is allowed on the Track and Field surfaces other than water. No gum, candy, food, energy drinks or any other items which may cause harm to the Track are allowed.** This rule will be strictly enforced. There will be consequences for athletes who act irresponsibly to include counseling and removal from competition.

9. Injuries

If the injury occurs during practice, athletes will first report to the coach. Athletes will report to the trainer at the coach's direction for treatment immediately upon being injured. Athletes will first report to practice if they need to see the trainer at the beginning of practice. Athletes who report to the trainer without first notifying the coach themselves will be marked truant. **THERE WILL BE NO LOITERING OR HORSEPLAY IN THE TRAINING ROOM! RESPECT THE TRAINER!**

- Athletes will be expected to workout unless injured or directed otherwise by a doctor, or other certified medical personnel (EX: DO, PT, NPT,)
 - Injured athletes will not be permitted to practice until a doctor permits their return in writing.
 - Injured athletes must come to practices and engage in as much of the practice as possible
 - Athletes who do not train will not participate in track meets.
Athletes should not participate in activities outside of Track that could cause injury during the season, such as bodysurfing, snowboarding, skateboarding, club sports etc. Injuries resulting from these activities that prevent athletes from practicing for more than two weeks could cause them to be removed from the team.
- ****The decision to keep an injured athlete (more than two weeks or indefinitely) on the team is at the sole discretion of the Coach. In most cases, the Coach will decide to remove the athlete from the Track class.***

10. Travel

Meets: All athletes are expected to remain in attendance and participate in the support of teammates until the end of the meet. Athletes will only be allowed to leave with parents at the end of the meet. **NO EXCEPTIONS!** District rules prohibit athletes from driving to or from a competition with anyone other than their own parent or guardian or a Tier 1 certified volunteer that has completed the CUSD approval process. **NO EXCEPTIONS!**

11. Illegal Substances

Alcohol, drugs and tobacco are not conducive to athletic achievement. They are also illegal for our team members. Use of performance-enhancing drugs is also forbidden

Any athlete found to be using alcohol, drugs, tobacco or performance-enhancing drugs at any time during the season may be dismissed from the team.

12. Sexual Harassment

**No athlete, male or female, should ever feel uncomfortable while participating in the track program. Any reports of sexual harassment will be investigated immediately and thoroughly and will be dealt with severely. All cases will be referred to administration for appropriate discipline. Athletes found guilty of sexual harassment may be removed from the team. Both Head coaches will advise athletes on appropriate behavior.*

13. Lettering

An athlete must meet all of the following criteria in order to earn a varsity letter:

- A. Earn 6 points in dual meet competition over the course of the season at the varsity level.
- B. Meet the lettering standard for an event during a meet or Invitational during the season.
- C. Be an active 4 year member of the team at the end of your senior season.
- D. Maintain a minimum of at least a 2.0 grade point average during the Track season.
- E. No mark of "U" in Citizenship or Work Habits during the grading period of the season
- F. Athletes may receive no more than a one (1) meet suspension from the team for any reason (including tardies, attendance, or discipline) during the season.

14. Grades

Grades will be determined based on effort, attendance and participation.

During the competition season, for each 2 unexcused absences, 1/2 letter grade will be dropped for the reporting period. For each tardy, 1/4 letter grade will be dropped. EX: 2 unexcused absences, grade goes from A to A-. Points are given for each practice day and can be subtracted for lack of participation, improper dress, tardies etc...

Attendance at Saturday Invitational meets are optional, however attendance at weekday dual meets is mandatory. Points will be deducted if the athlete misses a weekday meet for any reason.

During the postseason, one-third of the final semester grade will be determined based on attendance, and if instructed to do so by the head coach, dressing out, and training during the 6th period track class. **After the season ends, students who remain enrolled in the 6th period track class are still required to attend in order to receive PE credit. A total of 10 cumulative absences for the semester will result in your grade being lowered by at least one full letter grade.**

15. Fundraising

This very important part of our program is addressed in a separate handout.

SAN CLEMENTE TRACK & FIELD CODE OF CONDUCT

1. I ACKNOWLEDGE THAT I HAVE READ THIS CODE OF CONDUCT AND AGREE TO COMPLY WITH ALL THE RULES AND REQUIREMENTS FOR PARTICIPATION IN THE TRACK AND FIELD PROGRAM.
