

San Clemente Track & Field Adopt-An-Athlete Fundraising System

For our Adopt-An-Athlete this year, we're using an awesome [web based fundraising system](#) that makes it **much easier** for you to request pledges from your family and friends, and for them to make secure credit card donations online. It's fun, it's easy, and people who use it typically raise twice as much as those who don't!

Remember, our Adopt-An-Athlete is January 21st - March 1st, so please **register now** to help our team raise as much as we can for Track & Field Program. With the current budget limitations in public schools, a major source of funds to run our program comes from voluntary contributions from families, friends, and community sponsors. 100% of the money we earn from this project will be used to help pay for equipment, additional coaches, travel, and miscellaneous expenses for our Track & Field Program. Your sponsorship is tax-deductible as well as being a very

important part of our efforts to continue our successful Track & Field program:

- Go to <http://pledgestar.com/sctf>
- Click “Not Registered For This Year’s Event”
- Enter your name and email address, then click “Submit”
- Follow the instructions on-screen to register students

When you finish, the system emails pledge requests to your family and friends, and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online.
