

2024 Triton Invitational

Final Coaches Instructions

Field Event Athletes – All field event athletes MUST check in BEFORE the event starts. When they check in they will be given a wristband. Athletes without a wristband will be asked to leave the competition area. If they don't check in before the event starts they will be scratched.

Note: Jumps coaches

1. The following events start at 8:30 AM so these athletes MUST be checked in by 8:15AM.
 - Boys / Girls F/S Long Jump (all flights)
 - Varsity and F/S Boys High Jump (all flights)
 - Varsity and F/S Boys Shot Put (all flights)
 - Girls Discus Varsity and F/S upper field (all flights)

Track Athletes – Please make sure your athletes listen for calls from the Clerk of the Course. It helps us a great deal if your athletes know the heat they are in before they arrive at the clerk. Once athletes check in they should NOT leave the clerks area. If they do, they risk being scratched. After track athletes have been checked and receive hip numbers they will be escorted on to the field to continue their warm-up. Once on the field it is VERY IMPORTANT that they listen to instructions from the infield manager.

Scratches / Adds – Please give your scratches to the clerk of the course as soon as you can in the morning. This allows us to get other kids in to the meet. If you wish to add an athlete, please go to the clerk of the course and have the athletes name added to the wait list. Adds are done on a first come first served basis, so the earlier you get names in the better. For teams who have reached the fee cap adds are free. If your team is below the fee cap, adds are \$5.00 each and is charged only if the athlete gets in to the meet.

Bus Parking – We are expecting a very large crowd Saturday so please ask your bus drivers who plan on waiting to park off campus. There is a large Lowes center 1 mile east of San Clemente High School on Pico Avenue. The center has a number of fast food restaurants for them as well.

Auto Parking – PLEASE caution your parents to NOT park in the Albertson's center next to the high school. They will be ticketed there. In addition to the lots on campus, there is another lot on the hill that overlooks the track where the discus rings are located. The upper lot is located at 189 La Cuesta San Clemente, CA 92672. Throwers parents and coaches may want to park there for easy access to the discus rings.

Team Canopies – Canopies can be set up on the grass field just east of the stadium and on the press box side (north side) of the bleachers. NO CANOPIES on the finish-line side (south side) of the stadium.

We are looking forward to a great meet Saturday. If there is anything I can do to make your team's experience with us better, please let me know.

Dan Johnson – Meet Director
