

## **PLEASE NOTE**

### **Emergency Department Visitation Policy**

**Due to a surge of COVID 19 Positive Patients the following policy is in effect.**

**Persons seeking emergency care will be screened for COVID 19 Symptoms upon entering the Emergency Department Registration Area.**

**Persons who are NOT seeking emergency care will be restricted to wait in their vehicle or outside the Emergency Room Entrance.**

**Pediatric Patients seeking emergency care are to be accompanied by only 1 parent or guardian. All other persons will be directed to wait in their vehicle or outside the Emergency Room Entrance.**

**Any patient who requires support or assistance will be evaluated by the emergency room personnel and decision will be determined to allow support person into Emergency Treatment Area.**
