2025 CAR, TRUCK AND BIKE SHOW
NOLAN COUNTY COURTHOUSE SQUARE
SATURDAY, OCTOBER 4, 2025

Sponsorship Form

The GMJCC is set to make an impact on the educational landscape of the welding technology programs in Roscoe, Highland, Blackwell and Sweetwater. Proceeds from this event will be directed toward enhancing these programs by purchasing essential supplies and equipment that will facilitate hands-on learning and skill development for students. With your support, we can ensure that aspiring welders have access to the tools they need to succeed in their careers. Join us for this exciting event and contribute to the growth of our community's future workforce. Students in the Roscoe, Highland, Blackwell and Sweetwater welding technology programs will be repurposing numerous engine components to create custom best of trophies, highlighting their craftsmanship and creativity. This collaboration not only fosters hands-on learning experiences for the students but also emphasizes community engagement and support for local initiatives.

Name: _____	Company: _____
Address: _____	City: _____
Phone: _____	Email: _____
