

ARIZONA LIONS INTERNATIONAL YOUTH EXCHANGE

"Fuel the Future"
Help empower the next generation!

The Lions International Youth Exchange Program offers Arizona youth life-changing experiences that build global awareness, cultural understanding, and personal growth.

- We ask that 21-N and 21-S Lions Clubs identify, sponsor and refer Arizona youth to the youth exchange.
- Sponsor a youth age 16-22 on a life-changing International or national experience. Youth do not need to be affiliated with Lions.
- Youth will travel and live with a host family and participate in a Lion's camp for 2-3 weeks. All room and board are covered making this an unforgettable experience of culture, friendship and service!
- Your club's full or partial contribution makes it possible to cover the cost. Costs can be covered by your local club sponsorship, multi-club sponsorship, family of the youth, Arizona Youth Exchange, or a combination of those sources. It is approximately \$2000 for an international camp which would cover airfare, passport, travel and medical insurance, camp fees and spending money. USA camps cost approximately \$1000.
- Applications must be completed between November and February of this fiscal year. Forms can be obtained through our Youth Coordinator, Lion Tony Luick, arizonayouthexchange@gmail.com or 520-850-6725. More details, including the application download, are located at arizonayouthexchange.org.
