### UI/UX Designer - GUVI 2025

The UI/UX Design course from GUVI is a comprehensive, industry-focused program lasting 5-6 months. It covers essential topics such as user research, design thinking, prototyping, information architecture, visual design, usability testing, mobile/responsive design, and the use of leading tools like Figma, Adobe XD, and Illustrator

## About me

I am a **Change Analyst** skilled in driving organizational transformation through process analysis, stakeholder engagement, and effective change management strategies.

As a **Presentation Designer**, I craft visually compelling presentations that simplify complex information and enhance communication impact. I combine analytical thinking with creative design to support business objectives and inspire audiences.
