than sixty (60) days in advance of the meeting. At such meeting, the presence of Members or of proxies entitled to cast a majority of all the votes shall constitute a quorum. Any Member who attends a meeting or grants proxy will be deemed to have waived any defect in the notice. The annual Assessments provided for herein shall commence as to all Lots on August 1, 2001, subject to the right of the Declarant to defer or delay the start of such Assessment payments for a period of time not to exceed six (6) months if such delay is deemed advisable in the sole discretion of the Declarant. The Board of Directors shall fix the amount of the annual Assessment against each Lot at least thirty (30) days in advance of each annual Assessment period. Written notice of the Assessments shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or file a claim of lien as herein authorized and foreclose said lien against the Lot by judicial foreclosure in the same manner in which mortgages on real property may be foreclosed in Florida. In the event the Association must file a claim of lien or foreclose on such lien, the Owner shall be required to pay the costs and expenses of filing and foreclosing the claim of lien and all reasonable attorneys' fees, all of which costs, expenses, and attorneys' fees and

the principal amount of the claim or Assessment shall be secured by the lien being foreclosed. The Association shall have the right and power to bid at foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the Lot as Owner thereof. At such foreclosure or other legal sale the Association may bid whatever amount it deems appropriate, in its sole discretion, without regard to the amount of the lien or claim being foreclosed. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of the Lot.

Section 9. Subordination of the Lien to Mortgages. The lien for the Assessments provided for herein shall be subordinate to the lien of any first mortgage, provided that a Claim of Lien has not been recorded by the Association in the Public Records of Osceola County, Florida, prior to the recordation of such mortgage. Sale or transfer of any Lot shall not affect the Assessment lien.

ARTICLE V

ARCHITECTURAL CONTROL

Except for those improvements constructed by Declarant, no building, fence, wall or other structure shall be commenced, erected, or maintained upon the Property, nor shall any exterior addition to, change, alteration or repair (other than repairs restoring the exterior of any building located upon the Property to its original appearance and color) therein be made until the plans and specifications showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing by the Board of Directors or by an Architectural Review Committee ("ARC") composed of two (2) or more representatives appointed by the Board of Directors. In the event the Board of Directors of the ARC fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications together with all additional information requested by the Board of Directors of the ARC have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. However, the Board of Directors and the ARC undertake these duties for the sole purpose of ensuring compatibility of all such structures with the general design and plan of the Property and shall not be liable in any manner whatsoever for structural or architectural deficiencies, for any failure to comply with applicable zoning or code requirements or for any actions taken on behalf of the Association. If any proposal approved hereunder is not commenced within ninety (90) days after approval and completed within one (1) year after such approval by the Board of Directors or the ARC, then such approval shall be deemed to expire and the owner must again comply with these provisions. The members of the ARC may not vote by proxy or secret ballot on any matter

brought before the ARC. Notwithstanding anything in the foregoing to the contrary, no builder shall build or construct within The Hamlets unless such builder is approved by the Declarant (i.e., developer, The Hamlets Trust), for all time prior to Transfer of Control and thereafter by the Board of Directors of the Association. The Declarant may refuse any builder permission to construct within The Hamlets in its sole discretion including for the reason that in the interests of uniformity and standards within the project a single builder has been selected by The Hamlets Trust for this purpose. At this time Declarant shall direct the authorized builder in its sales contract with the Lot owner.

ARTICLE VI

USE RESTRICTIONS

Section 1. Violation. If any person claiming by, through or under Declarant, or its successors or assigns, or any other person or Owner, shall violate or attempt to violate any of the Covenants herein, it shall be lawful for the Declarant, the Association or any person or persons owning real estate subject to these Covenants to bring any proceeding at law or in equity against the person or persons violating or attempting to violate any such Covenants, including actions to enjoin or prevent them from so doing, or to cause the violation to be remedied and to recover damages or other dues for such violation. If the party or parties bringing any such action prevail, they shall be entitled to recover from the person or persons violating these restrictions the costs incurred by such prevailing party, including reasonable attorneys' fees. In any action in which the Declarant, ARC or Association takes the position that an activity carried on upon any Lot is noxious, offensive or a public nuisance, the court shall apply a reasonable man standard in that the activity will be determined in violation and to be noxious, offensive or a public nuisance, as the case may be, when, in accordance with applicable rules of law, the trier of fact determines that a reasonable man situated on or about the property of his or her personal residence would be unreasonably disturbed by such activity being conducted by his neighbor. The intention is that all neighbors in The Hamlets will be good neighbors and will not engage in activities that a reasonable person would find excessively disruptive to the peaceful enjoyment of his or her personal residence.

(d) The Declarant (and the Association after Transfer of Control) shall have the unrestricted sole right and power of alienating and releasing the privileges, easements and rights referred to in this section and in any plats of the Property, provided that Declarant's rights hereunder shall only exist so long as the Declarant shall own at least one (1) Lot within the Property. The Owner of the Lot subject to said privileges, rights and easements referred to in this section shall acquire no right, title or interest in or to any pipes, lines or other equipment or facilities placed on, over, or under, the Property which is subject to said privileges, rights and easements. All easements are the sole and exclusive property of the Declarant and its successors and assign and/or the Association, as the case may be.

Hamlet Court and Hamlet Drive are for the private use of the property owners and the public utility company serving the said lots and property, and may also be used by emergency vehicles such as fire, police and rescue units. All easements shown on the map shall be maintained equally by all property owners subject to these restrictions. It is understood no governmental entity is responsible for the construction, reconstruction or maintenance of any of the private road easements referred to in this Paragraph or shown on the map of The Hamlets, such burden shall be shared by the respective property owners equally, through The Hamlets Owners Association, Inc.

or offensive, applying a reasonable man standard under prevailing community notions of civility and sensibility. No trailers or recreation vehicles shall be maintained or kept on the Property, except as may be approved by the ARC. Household pets are limited to typically domesticated dogs, cats, birds, fish and other small animals ordinarily and usually accepted as domesticated pets. No pet will be permitted if it presents an unreasonable or unusual risk of danger to persons.

Section 11. Architectural Review Committee Waiver. In the event that a violation of any of these restrictions shall inadvertently occur, which violation shall not be of such nature to defeat the intent and purpose of these Covenants, the Association or the ARC shall have the right and authority to waive such violation.

Section 12. Trash. No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall be kept only in closed containers and all equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition.
