NOTE: *In the past, we provided two free of charge gate access cards to the long-term renters for the first two-cards; but no longer the case. We never received the cards back when they moved out. Therefore, there's a \$10.00 charge for each card. Payable in person or by using the online payment link; which it's used also for obtaining/paying guest passes and parking stickers. Payment link is available on our website (<http://thefloridahamlets.com>) and directly using this link: (<https://square.link/u/hTTckxwe>)*
