## Proposal & Product Catalog

# Maverick Amenities, LLC

Always Stocked, Always There

## Our Mission

At Maverick Amenities, our mission is to provide modern vending solutions that enhance customer satisfaction and convenience. We're proud to install and operate high-quality vending machines, smart coolers, and micro markets in the DFW area.

## Our Value

Whether it's a break room, gym, warehouse, apartment, or other facility, we deliver unmatched convenience and amenities for your site. There is no cost for the facility, and we perform all installations, maintenance, and restocking.

## Our Team

We're a local Mansfield, Texas business supporting other businesses in the surrounding DFW area. Our specialization and localization provide our customers with the best service available.

# Machine Selection

We use a variety of machines, including but not limited to those below. These images are just examples, and the final selection will be up to the Maverick Amenities team based on the location.

AI Smart Cooler

Combination Machine

Drink Machine

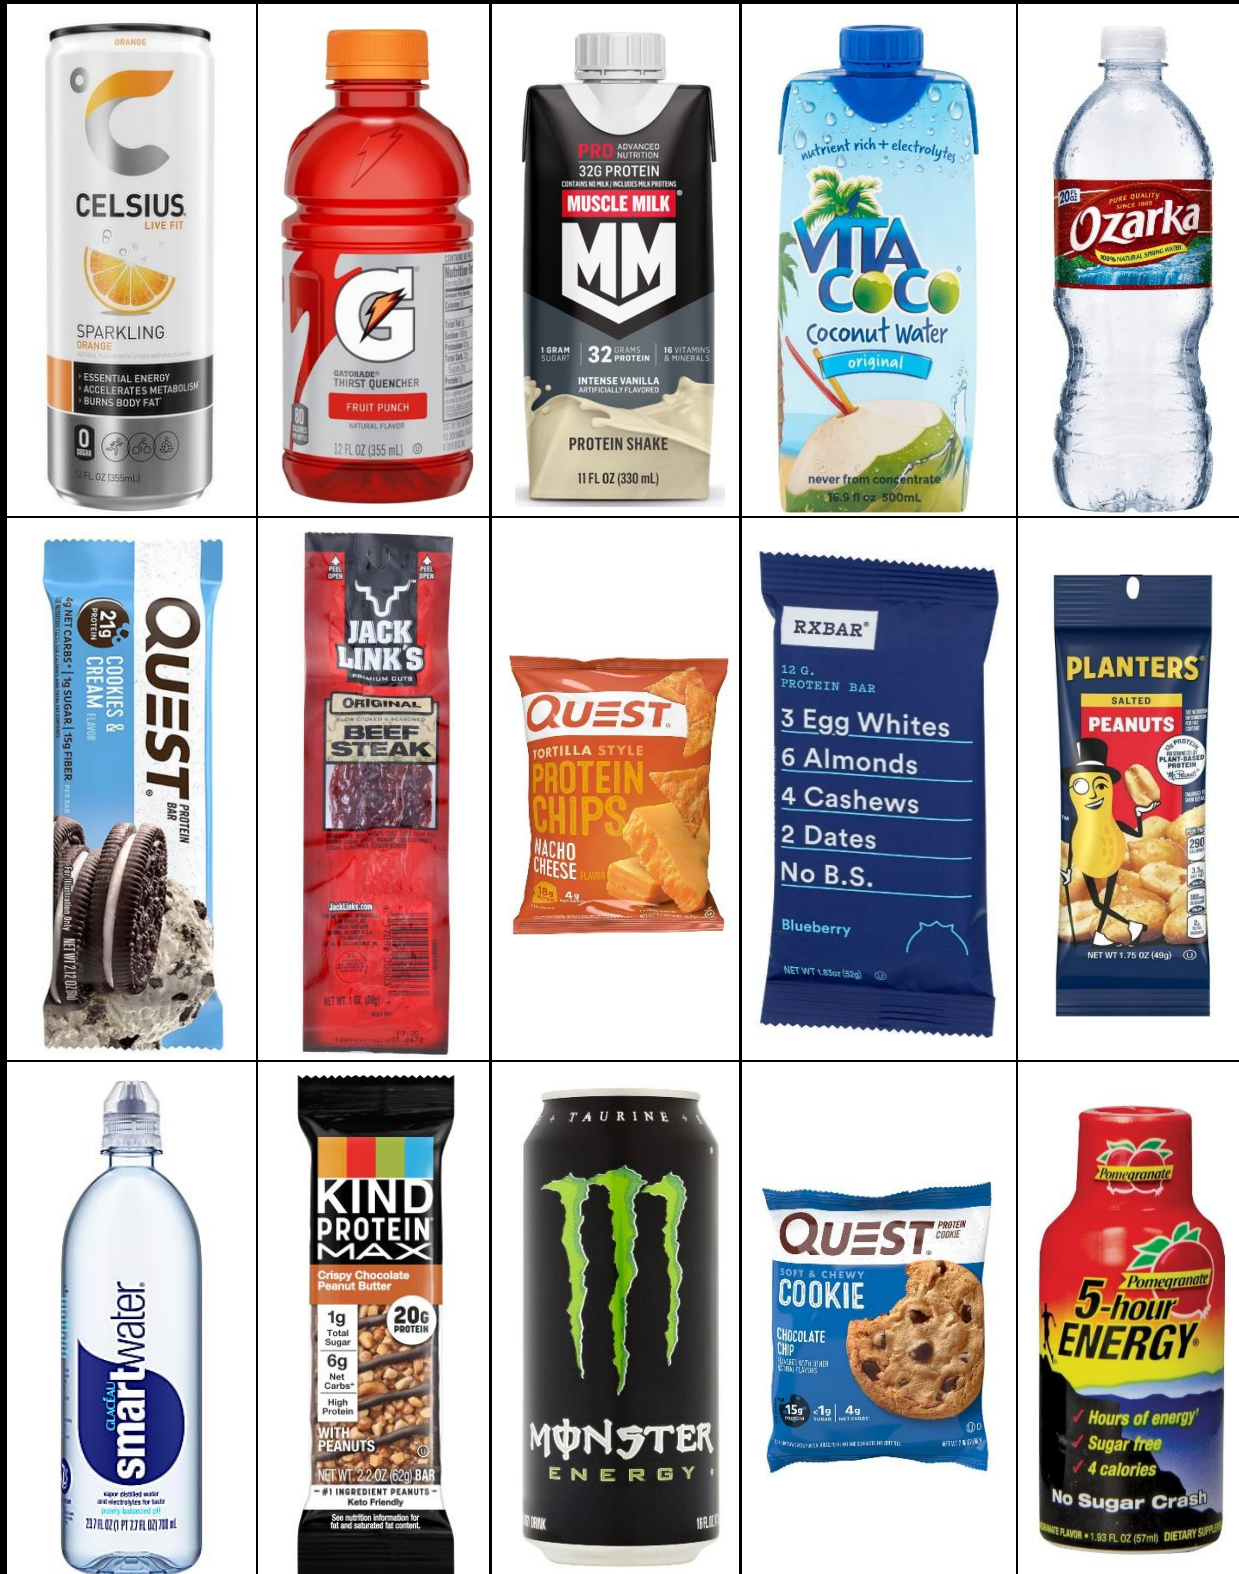

Cold and Ambient Combo AI Machine

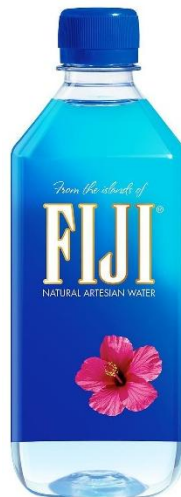

# Item Selection - Fitness

These are examples of items that may be stocked in a fitness location. This is not a complete list, and the inventory will be adjusted based on the specific location and customer feedback.

# Item Selection - Workplace

These are examples of items that may be stocked in an office, warehouse, medical, or manufacturing facility. This is not a complete list, and the inventory will be adjusted based on the specific location and customer feedback.

# Item Selection – Hospitality/Apartment

These are examples of items that may be stocked in an apartment or hospitality location. This is not a complete list, and the inventory will be adjusted based on the specific location and customer feedback.
