EXPRESS PLUS FUNDING

The Express-Plus Business Funding program is a streamlined financial solution designed to cater to the needs of small and medium-sized enterprises (SMEs) looking for a quick and efficient way to secure funding. With a maximum loan amount of \$50,000, this program is tailored for businesses that require immediate financial assistance to capitalize on growth opportunities, manage cash flow, or cover unexpected expenses. Recognizing the urgency that often accompanies the need for funds, the program boasts a typical turnaround time of 7-10 business days for complete files, making it one of the fastest funding options available in the market.
