

# Progressive Putt Putt:

*It is a sport that is played by many. The great thing about golf is that you can compete with others, or against yourself. It's a great way to exercise. It's also a fun way to socialize with people. Choose at least 5 activities to read, write, create, watch, make, record, etc... Here is a list of ideas, but if you have one or more...plan to do those too!*

## **READ**

---

Second Hand Slice by Jake Maddox  
Michelle Wie by Maty Dunn

## **WRITE**

---

Write a creative story about going to a miniature golf course with friends. Make sure to include three details.

## **ART/CREATE**

---

Draw a miniature golf hole. What fun stuff would you add to make it really hard to get a hole in one. Make a golf ball out of paper mache.

## **GET OUTSIDE & RECORD**

---

Go Out and Golf on June 28th. Record how many times it takes you to get the ball in each hole. Next take all the numbers and add up your total score. Make a chart of everyone's score to see who had the least number of strokes.

## **MAKE (COOK, EXPERIMENT, BUILD, ETC.)**

---

Make a course out of cardboard.

## WATCH

## RESEARCH & DO

---

What does it take to make the best course? How much does it cost to make a fun course? What attracts people to the course that makes them want to play? What countries play miniature golf? Go to a miniature golf course with your family and compare and contrast the BPC course to the other one.

Looking for something else, different, or more? Ask your Camp Director (parents) or Counselor (other older youth or adults) to help you search on Pinterest (ex: bug craft, watercolor bug, bug books, etc.) Your Camp Director (i.e parent) would also be able to help you look on other resources like Teacher Pay Teacher for free or inexpensive resources or Amazon Smiles for books or materials. Reminder: the BPC earns money on all eligible purchases through Amazon Smiles.
