MATTE GOLD

The statement that our Matte Gold finish makes is both bold and refined. This luxurious tone is available across a wide range of products allowing for a fully coordinated design throughout the closet, room, and home.

MATTE ALUMINUM

Matte Aluminum is a timeless, neutral finish that complements an extensive range of cabinet colors. It provides an understated but elegant modern look to each closet, while adding a finishing touch that pairs well with anything.

BLACK

Our darkest finish, Black, provides a bold accent for your closet designs. This timeless, rich tone offers impact and contrast to larger spaces and pairs with any wood, fabric or leather choices.

ELITE RACKS

Pull-out racks bring additional functionality to otherwise unused spaces. Add them to the sides of vertical panels or in a vanity area for easy access to favorite accessories. The retractability of these accessories allows them to be neatly tucked away when not in use.

Elite Racks are fully extendable past the cabinet edge, allowing for easier organization and accessibility.

BELT RACK

Allows for storage of up to three belts on each hook. Also great for storing long necklaces, small purses, or other small accessories.

TIE RACK

Provides a space to display and organize ties, while still keeping them easily accessible. Can also be used for hanging silk scarves or necklaces.

SCARF RACK

Provides an ideal alternative to storing scarves in drawers. Hanging them keeps them within sight and prevents creases and wrinkles.
