## HOUNDSTOOTH LEGAL AGREEMENT

All pets using Houndstooth services must be up to date on following vaccines:

- **RABIES**
- **DISTEMPER-PARVO**
- **BORDETELLA** (kennel cough)
- Puppies must have age appropriate vaccines for grooming. Puppies less than 16 weeks old are not accepted for Daycare or Boarding.
- Pets must be on a flea preventative and flea free.

### GROOMING:

- All grooming is done by appointment only. Grooming drop off is from 8:00 – 9:00 am on the date of your appointment.
- Dogs are groomed in the order they arrive for each groomer. Pick up is by 6:00 pm and will vary depending on how many dogs we have that day and the order you arrived. We will call when your dog is ready for pick up.
- Grooming dogs may participate in Daycare if there is room and they are spayed/neutered. This is an additional charge.
- Prices may vary depending on matting (dematting charge), behavior (difficult fee), and size/weight fluctuation.

### BOARDING:

- A \$25 deposit is required at time of reservation by cash or credit card.
- Bring your pet's regular food. Changing foods without gradual change over can upset their tummies and cause diarrhea.
- Sunday pick up and drop off for boarding are available for an additional \$10. (We are working behind the scenes but the lobby is closed.)
- ALL boarding pets must be spayed or neutered.

### DOGGIE DAY CARE:

- ALL Doggie Day Care pets must have break release collar with name tag including phone number for safety and quick identification.
- ALL Doggie Day Care pets must have nails trimmed to avoid scratching playmates. (For your convenience, this service is available at Houndstooth for a cost of \$15 for trim and buff.)
- ALL Doggie Day Care pets must be **spayed or neutered**.

**Payment is due in full at time of pick-up with any service at Houndstooth. If owner is unable to pick pet up in person, payment must be made by phone or other prior arrangement before pet can be picked up by any other party.**

**No exceptions on any of these terms. NO REFUNDS.**
