ABOUT

Ataya Kaser

Ataya was an excellent student and thrived at school with a 4.0 GPA. Education was so important to her. In 2018, she tragically passed away in a car accident at 14 years old. Ataya's mother, Corie Walls is a volunteer for Safe Haven Baby Boxes and created the scholarship program in honor of her daughter who loved to be involved with the organization. Ataya Kaser's passion for Safe Haven Baby Boxes lives on through scholarships in her honor given each year.

THE SCHOLARSHIP

Safe Haven Baby Boxes and The Ataya Kaser Memorial Scholarship Committee members seek to reward high school and college students who are committed to using their gifts and talents to demonstrate awareness and to take proactive steps to raise awareness of Safe Haven Laws throughout the United States.

The Ataya Kaser Memorial Scholarship Fund (Foundation) will be awarding two (2) \$4,000 scholarships to eligible high school seniors and/or eligible undergraduate college students for college tuition during the next academic school year. One scholarship will be specifically going to a Leo, IN student where Ataya would have graduated this spring in 2022.

The scholarships will be awarded after completion of the Spring 2022 semester of high school or college to support tuition and/or course fees for the Fall 2022 college academic session. Full time students will be awarded the full amount to be used for the Fall 2022 academic session. Part time students will be awarded \$2,000 for the Fall 2022 academic session and \$2,000 for the Spring 2022 academic session. The number of scholarships and amount awarded is based upon the available funding and confirmed during each application period. The winners of the scholarships will be announced live at the Safe Haven Baby Box Annual Banquet on March 12th.
