

# Safe Haven Baby Boxes

## Fall Newsletter

### What has been going on since we last spoke?

Safe Haven Baby Boxes is pleased to announce that we have had a successful 2020, despite the obstacles that have been placed in our way cough, cough COVID-19, no pun intended. So far this year, we have installed and blessed 22 additional baby boxes and are showing no signs of slowing down anytime soon! Clearly, even a pandemic cannot slow down our mission and our supporters of this organization.

### What is next? Well, here are all the answers!

We have 15 additional baby boxes planned to be installed and blessed in Arkansas, Indiana, and Ohio before December 31<sup>st</sup>! This means we had MORE baby boxes available this year than ever before! SHBB also assisted more moms in crisis, ensured the safety of more infants through our awareness campaigns, educated more students about the Safe Haven law and have placed numerous billboards in communities all because of your support! A HUGE thank you to our donors for making these accomplishments possible!

## BABY GRACE

One of our precious Safe Haven Babies just hit a HUGE milestone, her 1st Birthday!

Baby Grace was the 3rd newborn to have been placed inside one of our baby boxes. Since this time, Grace has been blessed with her forever family and continues to flourish right before our eyes.

Monica Kelsey and SHBB Board member, Teresa Bertke, both attended her party and celebrated her life with her family. Grace's birthday was filled with love, gifts, and a TON of food! To say Baby Grace is LOVED, is an understatement!

## **ITS BINGO TIME AGAIN!**

Who had a great time last year at one of our Designer Purse Bingos? Well, guess what? We are back like never before after the 2020 pandemic!!!! Remember ladies, this is not your grandmother's bingo game! How about winning DESIGNER PURSES, playing bingo, having a girl's night in, all while supporting a great cause. Well, look no further than these events!
